Systematic Theology John M. Frame, 2013 A biblical clear cogent accessible comprehensive and practical summary of Christian belief by one of the most important and original American theologians of the last hundred years

The Other Worldview Peter Jones, 2015-06-24 A must read for every concerned American and especially for every Christian who weeps at the graveside of his culture R C Sproul A cataclysmic change has occurred as our culture has shifted toward belief in Oneism Every religion and philosophy fits into one of two basic worldviews Oneism asserts that everything is essentially one while Twoism affirms an irreducible distinction between creation and Creator The Other Worldview exposes the pagan roots of Oneism traces its spread throughout Western culture and demonstrates its inability to save For bodily holiness and transformed thinking we depend entirely on one amazing thing the incredibly powerful message of the Gospel to a sinful world which is the ultimate expression and goal of Twoism The only hope is in Christ alone

Faithmapping Daniel Montgomery, Mike Cospers, 2013 Helps Christians cultivate unity within the church by articulating a holistic view of the Christian life the whole gospel for the whole church to the whole world

Consuming Glory Gannon Murphy, 2006-09-22 In the late 1990s Open Theism took the theological world by storm Advocated by several prominent theologians among them Clark H Pinnock the view argues that human beings cannot have a genuine relationship with God if God possesses what classical theology has affirmed to be exhaustive foreknowledge of future events Such foreknowledge open theists claim would make human freedom and salvation itself meaningless and divine power akin to little more than meaningless cosmic puppeteering While several works have taken the important step of addressing open theisms scriptural deficiencies in its denial of Gods foreknowledge none have dealt with the vital issue of divine human relationality and how it can be understood in a classical orthodox framework that maintains such foreknowledge Consuming Glory remedies that lack by first providing a fresh critique of open theism using Clark Pinnock s version of it as representative but then offering a reconstruction of divine human relationality centered on the Biblical principle of Christus in nobis Christ in us Christus in nobis is coupled with an outworking of meticulous divine providence that serves Gods own self glorifying orientation It reverses the relational ordering advocated in open theism by grounding human love of God theologically rather than anthropologically Love of God and divine human relationality is established precisely because it is Gods own self love that is providentially given to us and thus reciprocated as believers are brought into adoptive communion with the Triune Godhead Drawing on diverse resources throughout the corpus of historical theology Murphy concludes that divine human relationality can be summarized as God delighting in himself in us

Christ and Culture Revisited D.A. Carson, 2012-01-31

Called to live in the world but not to be of it Christians must maintain a balancing act that becomes more precarious the further our culture departs from its Judeo Christian roots How should members of the church interact with such a culture especially as deeply enmeshed as most of us have become D A Carson applies his masterful touch to this problem He begins by exploring the classic typology of H Richard Niebuhr with its five Christ culture options Carson proposes that these disparate options are in reality one still larger vision Using the Bible s own story line and the categories of biblical theology he clearly lays out that unifying vision Carson acknowledges the helpfulness of Niebuhr s grid and similar matrices but warns against giving them canonical force More than just theoretical Christ and Culture Revisited is also designed practically to help Christians untangle current messy debates on living in the world Carson emphasizes that the relation between Christ and culture is not limited to an either or cultural paradigm Christ against culture or Christ transforming culture Instead Carson offers his own paradigm in which all the categories of biblical theology must be kept in mind simultaneously to inform the Christian worldview While many other books on culture interact with Niebuhr none of them takes anything like the biblical theological approach adopted here Groundbreaking and challenging Christ and Culture Revisited is a tour de force

When Texas Prison Scams Religion Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars **Covenant Lord and Cultic Boundary** Michael Beck, 2023-02-02 The Reformed Two Kingdom project has generated a great deal of literature However this literature is often characterized by inflamed rhetoric Further though it is standard fare to assume that Kline was the

architect of the project in reality there has been very little scholarly examination of this point In response Kline s system is analyzed through the means of a dialectical discourse with three differing models within the Reformed tradition the Theonomist Perspectivalist and Dooyeweerdian schools Through this means the study keeps away from surface level polemics and instead directs readers to the critically important substructural level of current discussions While clarifying some of the key differences between Kline and his interlocutors often overlooked points of nuance are also highlighted These points are shown to be important in that they present the potential to lessen frustration and impasse in the ongoing dialogue
