BELIEVE PERFORM

@BELIEVEPHQ

ACTIVITY

Think about ways you can be active or exercise in the morning. This can help boost mood and reduce stress.

SLOW DOWN

Slow down and give yourself plenty of time to get ready for your time. Take 5 minutes when you wake up to calm your mind and body.

BREAKFAST

Start your day with a well balanced meal to help boost energy. Try not to miss this important meal.

BREATHE

Whether it is lying on your bed or closing your eyes on the train/bus journey to work, deep breathing can provide you with a sense of calm.

IMAGERY

Take 5 minutes to close your eyes and imagine yourself performing well throughout your day.

GRATITUDE

Take a moment to appreciate everything you are grateful for.

POSITIVITY

Schedule activities into your day that will provide you with a sense of connectedness, pleasure and achievement.

READINESS

Get ready for your day by thinking about what demands you will be facing and what physical, mental and social resources you need available to cope.

REFLECTION

Take a moment to check in with yourself and monitor how you are feeling in your mind and body.

STRENGTHS

Take 5 minutes to note down your top 3 strengths and think about how you can put them into action throughout your day.

127 More Amazing Tips and Tools for the Therapeutic Toolbox Judy Belmont, MS, 2013-09-01 127 More Amazing Tips and Tools for the Therapeutic Toolbox is Judy Belmont's third Tips and Tools book in PESI's bestselling series that has offered thousands of clinicians practical hands-on strategies to help clients reach therapeutic goals. Judy Belmont's newest Tips and Tools addresses today's evolving needs using techniques from CBT, DBT, and positive psychology to help their clients and their practice. All reproducible worksheets and handouts will quickly become a clinician's best friend. Something for everyone and packaged in a creative and enjoyable way. 127 TIPS delivers a wealth of ideas, skills, and exercises to apply and customize to a vast array of clinical issues and situations. Speaking to eclectic and integrative therapists who comprise the majority of working practitioners, Judith Belmont taps in-demand and evidence-based treatments for their most practical interventions and teachings. Filled with psychoeducation, handouts, and worksheets for clients, active therapists will find TIPS to be a frequent and effective resource. Lane Pederson, Psy D, LP, DBTC, author of *The Expanded Dialectical Behavior Therapy Skills Training Manual* and *DBT Skills Training for Integrated Dual Disorder Treatment Settings*. **Mental Health Care in Paramedic Practice** Ursula Rolfe, David Partlow, 2022-04-27 Mental health conditions are becoming more prevalent in today's society, and it has been estimated that 1 in 4 people in the UK will experience a mental health issue at some point in their lives. The increase in mental health complaints has also affected the volume of calls to 999 in which paramedics are regularly called to address patients' mental health concerns. The complexities and nuances within mental health means that many paramedics feel underprepared when managing patients who are experiencing mental distress. *Mental Health Care in Paramedic Practice* is the first guide written specifically for paramedics to support them in understanding a range of different mental health conditions which they may come across during their practice. Not only does the book provide key information on recognising and managing a range of conditions, but it also includes case studies written by paramedics with first-hand experience of managing mental health calls. It also includes a section on legislative changes and policy descriptions, as well as interprofessional working. This book is essential for anyone wanting to better understand how to care for patients with mental health concerns within the prehospital setting, including both experienced and aspiring paramedics. *Mental Health Equity* Daniel E. Dawes, Nelson J. Dunlap, Octavio N. Martinez, 2025-09-06 *Mental Health Equity* is the first comprehensive textbook to explore the drivers of mental health inequities in the United States and the innovative strategies being used to advance equity through programs and policies. Ideal for students in public health, mental health, health policy, social work, medicine, allied health, and psychology, this groundbreaking text takes a holistic, ecological approach to addressing historically overlooked public health challenges, empowering learners to understand and combat mental health disparities. The book examines the historical and structural conditions influencing public mental health, including the impacts of racism, redlining, and policy development. Further, it investigates the diverse determinants of mental health equity: social, economic,

environmental biological and political highlighting their interconnected roles in perpetuating inequities It also explores the role that the compounding effects of intersectionality play the importance of actionable frameworks state and federal policy initiatives and payment strategies are for advancing mental health equity Integrating theory with practice offering innovative models global perspectives and practical tools for community engagement and systemic transformation Mental Health Equity provides a detailed call to action This inspiring book is for compassionate leaders clinicians policymakers and advocates who support population health and who strive to counter the persistent inequities affecting millions of Americans Key Features Presents real world applications to groundbreaking frameworks such as intersectionality political determinants of health and anti racism Provides clearly defined learning objectives engaging discussion questions and important case vignettes illustrating challenges of persistent mental health inequities Brings together perspectives from diverse and notable leaders of public health medicine psychology health policy law and social justice Qualified instructors have access to expanded Instructor Resources featuring chapter PowerPoints a Sample Syllabus Test banks an Instructor Manual with learning activities for each chapter and additional resources to supplement students dynamic learning and interaction with the text
