**Find Your Next: Using the Business Genome Approach to Find Your Company's Next Competitive Edge** Andrea Kates, 2011-10-18 THE NEXT BIG THING IN BUSINESS INNOVATION FROM THE NEXT GENERATION'S BRAND WHISPERER What can an oil company Pennzoil learn from a great place to hang out Starbucks to create a new customer experience Jiffy Lube If you're a manager an executive or an entrepreneur you understand that your business is unique with its own challenges and rewards But thanks to the new science of the Business Genome process you'll be surprised to see how many businesses share a similar genetic structure And by understanding what works and what doesn't for your business's genomic type you can play to your strengths adapt to your weaknesses and change the course of your company's future Business Genome project creator Andrea Kates calls it Find Your Next a field tested customized blueprint for mapping out your business DNA in four powerful steps 1 Sort through your options and assess your hunches 2 Match your genome to other successful business models 3 Hybridize your company by grafting new ideas with proven successes 4 Adapt and thrive by breaking old habits and starting new trends This high impact transformative guide walks you through every step of the process combining intuition and experience with statistical data and fascinating case studies You'll learn how two unrelated businesses Hyatt Hotels and Sharp HealthCare discovered untapped opportunities in their customer experience You'll read how General Motors and OnStar hit the jackpot by examining something that wasn't there You'll find in depth interviews with GE's Mark Vachon IndieGoGo's Danae Ringelmann P F Chang's Rick Federico and other leaders of innovation And you'll learn how to crack the genetic code behind the six essential building blocks of business product and service innovation customer impact talent leadership and culture process design trendability and secret sauce Once you unlock the secret of your company's DNA you can evolve your strategy build your future and find your next PRAISE FOR FIND YOUR NEXT When you add it all up this is indeed a time of great change and arguably much of what we know about management today is becoming obviated Which is why Find Your Next is such a helpful contribution to every manager's arsenal It embraces the shift from industrial models to models for the 21st century And it's a great read packed with great stories and tons of practical advice Read enjoy and prosper Don Tapscott from the Foreword of Find Your Next Every great strategic thinker uses the ideas in this book but it took Andrea Kates to write them down for the rest of us Seth Godin author of We Are All Weird Andrea Kates is this generation's new brand whisperer and Find Your Next is the best toolkit for landing on your company's next Lane Cardwell President P F Chang's

China Bistro Andrea Kates's ideas about the Business Genome project are cutting edge. They will completely transform the way we think about the impact of cross organizational connections as a way to fuel business growth. James Fowler, author of *Connected: The Surprising Power of Our Social Networks and How They Shape Our Lives* and Professor of Medical Genetics and Political Science, UC San Diego, *Find Your Next* combines radical thinking, innovative insight, and real world experience to give corporate leaders a powerful compass in this era of unprecedented economic challenge. Catherine Crier, former judge, journalist, and New York Times bestselling author, *Years Ago* thought about what was next for music fans and turned to lessons learned from NASCAR and the NFL, not other musicians, to come up with the inspiration for the Lollapalooza festival. That's exactly what *Find Your Next* provides: an easy-to-follow guide to game-changing innovation based on cross industry thinking. Perry Farrell, founder of Lollapalooza festival and legendary rock frontman for Jane's Addiction, *The Difference* between a great idea and a great business result is the ability to integrate insights from lots of different sources and get an entire organization on board quickly. Kates is onto something truly novel. *Find Your Next* could easily become the new industry standard for innovation. A must read. Mark Vachon, GE Company Officer, *If You Thought You've Been Thinking Creatively About Your Business, Get Ready for a New Ride*. In her book, Andrea Kates describes the Business Genome approach, a radically fresh roadmap to infuse innovative change into your business. Pure magic. Nick Pudar, Vice President, Strategy, Adjunct Lecturer, Farley Center for Entrepreneurship and Innovation, McCormick School, Northwestern University, and independent innovation consultant, *Find Your Next* brings together a collection of insights and approaches that challenge everyone in an organization, from the CEO to the front line, to be nimble and build new muscles for rapid innovation. It disrupts the patterns of incremental growth from traditional strategic planning. The result is a process that can get your organization to market faster and leapfrog the competition. ## Youtube Ideas Introduction

In the digital age, access to information has become easier than ever before. The ability to download Youtube Ideas has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Youtube Ideas has opened up a world of possibilities. Downloading Youtube Ideas provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Youtube Ideas has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Youtube Ideas. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Youtube Ideas. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Youtube Ideas, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Youtube Ideas has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
