Intersections of Niche Tourism and Marketing Sousa, Bruno Barbosa, Santos, Vasco Ribeiro, 2025-03-05 As the tourism industry changes, niche tourism has emerged as a dynamic and growing sector catering to specialized interests and unique travel preferences. This shift toward more personalized and focused travel experiences reshapes how destinations and services are marketed to potential tourists. From eco tourism and adventure travel to cultural wellness and culinary tourism, the intersections of niche tourism and marketing have created new opportunities for both travelers and businesses. By leveraging targeted marketing strategies, destinations can attract specific audiences while offering tailored experiences that resonate with their interests. Further research into how the convergence of niche tourism and innovative marketing techniques has reshaped the tourism landscape may provide insights into the growing demand for specialized travel experience and the strategies that drive their success. *Intersections of Niche Tourism and Marketing* explores the use of marketing and consumer science in niche tourism practices. It examines the potential of marketing technology, data science, and destination services to attract niche tourists and increase interest and revenue in specific regions. This book covers topics such as digital marketing, sustainable development, and consumer behavior and is a useful resource for business owners, marketers, tourism professionals, academicians, and researchers.
