Drive James Sallis:

Drive James Sallis, 2011-10-04 Much later as he sat with his back against an inside wall of a Motel 6 just north of Phoenix watching the pool of blood lap toward him Driver would wonder whether he had made a terrible mistake Later still of course there d be no doubt But for now Driver is as they say in the moment And the moment includes this blood lapping toward him

Drive James Sallis, 2022 Much later as he sat with his back against an inside wall of a Motel 6 just north of Phoenix watching the pool of blood lap toward him Driver would wonder whether he had made a terrible mistake Later still of course there d be no doubt But for now Driver is as they say in the moment And the moment includes this blood lapping toward him the pressure of dawn s late light at windows and door traffic sounds from the interstate nearby the sound of someone weeping in the next room Thus begins Drive by one of the nation s most respected and honored authors Set mostly in Arizona and L A the story is according to Sallis about a guy who does stunt driving for movies by day and drives for criminals at night In classic noir fashion he is double crossed and though never before has he participated in the violence I drive That s all he goes after the ones who double crossed and tried to kill him

James Sallis Nathan Ashman, 2024-02-08 Once described as the best crime writer you ve never heard of James Sallis is a largely underexplored figure in contemporary American literature Best known for his thriller novel *Drive* later adapted into the acclaimed 2011 movie of the same name starring Ryan Gosling and Carey Mulligan Sallis has written across a range of genres and forms including short fiction poetry musicology science fiction biography nonfiction essays literary reviews and criticism This companion the first comprehensive examination of Sallis writings locates him as a vital voice within mystery fiction In addition to an alphabetized analysis of his works it includes a biography career chronology and an interview with the author Readers will gain a deeper understanding of Sallis extraordinary life and career as well as insight into the recurrent themes and motifs of his rich and varied writings This book is both an introduction to Sallis work for new readers and a thorough reference guide for established fans and scholars

Difficult Lives Hitching Rides James Sallis, 2023-02-21 James Sallis s *Drive* seminal biographical essays on crime fiction pioneers Jim Thompson David Goodis and Chester Himes restored to print and joined by a handpicked collection of essays reviews and introductory writings on noir fiction At the time of its original publication by Gryphon Books in 1993 *Difficult Lives* was a pioneering work of literary investigation Sallis s subjects of Himes Goodis and Thompson were as enigmatic as they were out of print and literary scholarship on the subject of their lives and works scant As the title of the collection indicates the three men led difficult lives and although they forever changed the history of crime writing they all passed in relative isolation The literary detective work Sallis did then has been built upon since but rarely with the same poetry and authorial sympathy Despite there now existing several works of academic and popular biography on each writer Sallis s novella length biographies retain the sense of the newly uncovered Those three pieces Jim Thompson *Dime Store* Dostoevski David Goodis *Life in Black and White* and Chester Himes *America s Black Heartland* are prefigured by a new

introduction by the author as well as the original introduction *Portable Worlds The First Paperback Novel Following Difficult Lives* is collection of reviews essays and introductions selected by Sallis covering a wide range of crime fiction s most legendary authors and books Derek Raymond Jean Patrick Manchette Boris Vian Patricia Highsmith James Lee Burke George Pelecanos Paco Taibo Shirley Jackson and more *World's Edge: A Mosaic Novel* James Sallis,2026-02-10 A compelling call for compassion and resilience in the maw of social dissolution from literary legend James Sallis master of many genres and Nebula Edgar and Shamus nominated author of *Drive* All I wanted was for my life when you picked it up in your hands to have some weight to it In a not so distant future the United States has fragmented balkanizing into unstable provinces often at war with one another and Americans their great promise not so much lost as forfeited are encountering the terrors and devastation so much of the world daily lives with Throughout a land littered with refugees ruins orphaned children soldiers militia and fugitives people go on about their daily lives as best they can The five linked stories of *World s Edge* track the false starts and stall outs of a nation and civilization trying to rise again to rebuild and of individuals caught up in that rebirthing As ever the only true history lies in the story of individual lives in the old rag and bone shop of our hearts

Unwilling Executioner Andrew Pepper,2016-04-08 What gives crime fiction its distinctive shape and form What makes it such a compelling vehicle of social and political critique *Unwilling Executioner* argues that the answer lies in the emerging genre s complex and intimate relationship with the bureaucratic state and modern capitalism and the contradictions that ensue once the state assumes control of the criminal justice system This study offers a dramatic new interpretation of the genre s emergence and evolution over a three hundred year period and as a genuinely transnational phenomenon From its roots in the tales of criminality circulated widely in Paris and London in the early eighteenth century this book examines the extraordinary richness diversity and complexity of the genre s subsequent thematizations of crime and policing moving from France and Britain and from continental Europe and the United States to other parts of the globe In doing so it offers new ways of reading established crime novelists like Gaboriau Doyle Hammett and Simenon beyond their national contexts and an impulse to characterize their work as either straightforwardly radical or conservative It also argues for the centrality of writers like Defoe Gay Godwin Vidocq Morrison and more recently Manchette Himes and Sj wall and Wahl to a project where crime and policing are rooted and shown to be rooted in the social and economic conditions of their time These are all deeply political writers even if their novels exhibit no interest in directly promoting political causes or parties The result is an agile layered and far reaching account of the crime story s ambivalent relationship to the justice system and its move to complicate our understanding of what crime is and how society is policed and for whose benefit *Driven* James Sallis,2017-09-21 At the end of *Drive* Driver has killed Bernie Rose the only one he ever mourned ending his campaign against those who double crossed him *Driven* tells how that young man done with killing becomes the one who goes down at 3 a m on a clear cool morning in a Tijuana bar Seven years have passed Driver has left the old life become Paul West and founded a successful

business back in Phoenix Walking down the street one day he and his fianc e are attacked by two men and while Driver dispatches both his fianc e is killed Sinking back into anonymity aided by his friend Felix an ex gangbanger and Desert Storm vet Driver retreats but finds that his past stalks him and will not stop He has to turn and face it Because he drives That s what he does
