*Labor Day* Reading Passage

Name: \_\_\_\_\_

Labor Day is a federal holiday celebrated on Monday of September. A federal holiday. But did you ever wonder why we get this day? Why are we even celebrating?

In the late 1800s, there was a movement for better working conditions. A laborer was typically someone such as a farmer or a factory worker. It was common for laborers to work 12 hours per day, 6 days per week. And this even included kids like you!

The Labor Movement demanded better conditions for labor workers. Their demands included an 8-hour workday and a minimum wage.
