So let's proceed to the business planning section.

Microfinance banks are small banks that offer loans, savings and insurance to entrepreneurs and small business owners who can't access traditional sources of capital, like banks or investors. The main objective of microfinance banks is to provide people with money to invest in themselves or their business.

Microfinance banks are different from commercial banks. For instance, funding to commercial banks usually take place through public offers (stock markets) in the form of equity, while Microfinance banks usually receive their funding from individuals/private equity holders in the form of debt.

Also most of the services commercial banks offer are bank door services, which mean the customers' need to go to the banks to avail themselves such financial services. But most of the services provided by Microfinance banks are door step services, which means the staff of the banks deliver their financial services at client's door step.

Starting a microfinance bank in modern America won't be an easy task, but nothing they say can stop the success of a determined mind. Below is a well drafted business plan if you want to start Microfinance bank in [the Nigeria](https://www.profitableventure.com/small-business-ideas-in-nigeria/) (<https://www.profitableventure.com/small-business-ideas-in-nigeria/>).
