Max the Monkey

There was once a curious little monkey named Max. Max lived in a lush jungle with his family, and he loved to explore and discover new things. Max was very agile and could climb trees faster than any of the other animals in the jungle. One day, Max saw a shiny object hanging from a branch. He was curious and wanted to see what it was, so he scampered up the tree to take a closer look. When Max reached the shiny object, he saw that it was a golden apple.
