When We Had Summer Jennifer Castle, 2023-04-25 *The Sisterhood of the Traveling Pants* meets *13 Little Blue Envelopes* in this new young adult novel about a tight-knit, daring, and eclectic group of friends who dedicate every summer to completing their SummerSistersBucketList together. That is, until one of their own passes away. Best friends Carly, Daniella, Lainie, and Penny, aka the self-proclaimed SummerSisters, have been coming to the New Jersey shore town of Ocean Park Heights ever since they could remember. And every year, the girls make a bucket list and dedicate their entire summer to completing every item on it, documenting their wacky escapades on FotoSlam for everyone to see. It's their tradition, and as long as the Summer Sisters had each other, the rocky jetty on the shore, and their bucket list that would never change. Right? But then tragedy strikes. After Carly, the mastermind behind the bucket list, unexpectedly passes away, the remaining Summer Sisters try to wrap their heads around their best friend's death. Life seems determined to throw more curveballs at the girls, threatening to split the Summer Sisters up for good. Daniella is accepted to a prestigious music academy in New York City. Lainie finds out her family is moving to Florida and leaving Ocean Park Heights for good. Penny struggles to find her footing as she feels ready to leave childhood behind more quickly than either of her friends. What will hold them together with Carly gone and the Summer Sisters seemingly over? Then Daniella finds Carly's final bucket list. And just like that, the Summer Sisters are back. But of course, things don't always go as planned, and the girls try their hardest to navigate grief, loss, and coming-of-age woes while keeping the Summer Sisters and Carly's memory alive.

Records and Briefs*. New York (State)., **California Lawyer**, 1994 *Northern California Jewish Bulletin*, 1990 Microtimes, 1995-11 **Cosmopolitan**, 1991-07 **ENDLESS LOVE, ROMANCE, AND INTIMACY** Bukonya Siraje, As a society we are embarrassed by love We treat it as if it were an obscenity We reluctantly admit to it Even saying the word makes us stumble and blush Love is the most important thing in our lives a passion for which we would fight or die and yet we're reluctant to linger over its names Without a supple vocabulary we can't even talk or think about it directly As the title **ENDLESS LOVE ROMANCE AND intimacy** indicates we want to live in a culture where love can flourish We yearn to end the lovelessness that is so pervasive in our society This book tells us how to return to love **ENDLESS LOVE ROMANCE AND intimacy** provides radical new ways to think about the art of loving offering a hopeful joyous vision of love's transformative

power it lets us know what we must do to love again Gathering love s wisdom it lets us know what we must do to be touched by love s grace THERE ARE NOT many public discussions of love in our culture right now At best popular culture is the one domain in which our longing for love is talked about Movies music magazines and books are the place where we turn to hear our yearnings for love expressed Yet the talk is not the life affirming discourse of the sixties and seventies which urged us to believe All you need is love Nowadays the most popular messages are those that declare the meaningless of love its irrelevance A glaring ex ample of this cultural shift was the tremendous popularity of Tina Turner s song with the title boldly declaring What s Love Got to Do with it I was saddened and appalled when I interviewed a well known female rapper at least twenty years my junior who when asked about love responded with biting sarcasm Love what s that have never had any love in my life Youth culture today is cynical about love And that cynicism has come from their pervasive feeling that love can not be found Expressing this concern in When All You ve ever Wanted isn t Enough Harold Kushner writes I am afraid that we may be raising a generation of young people who will grow up afraid to love afraid to give them selves completely to another person because they will have seen how much it hurts to take the risk of loving and have it not work out I am afraid that they will grow up looking for intimacy without risk for pleasure without significant emotional investment They will be so fearful of the pain of disappointment that they will forgo the possibilities of love and joy Young people are cynical about love Ultimately cynicism is the great mask of the disappointed and betrayed heart When I travel around the nation giving lectures about ending racism and sexism audiences especially young listeners become agitated when I speak about the place of love in any movement for social justice
