**Handbook** Courtney Ostaff, 2020-11-30 Classroom teachers are increasingly expected to teach online creating content area courses from scratch with little support or training But high quality researched based online teaching has its own particular set of skills and expectations and most resources are directed at college level instructors This no nonsense handbook is for that busy classroom teacher with clear techniques for planning instruction and assessment as well as sections on teaching students with diverse needs and exceptionalities Based on the author's real life experiences as an online teacher there are multiple examples including sample assignments across content areas rubrics for grading and sample scripts for parent contact as well as tips to reduce instructor workload and conduct successful live instruction **Get More Fans: The DIY**

**Guide to the New Music Business** Jesse Cannon, Todd Thomas, 2012-11-25 How Do I Promote My Music On A Small Budget How Do I Get My YouTube Videos to Spread How Do I Turn Casual Fans Into One's Who Buy From Me How Do I Get Written About On Blogs How Do I Increase Turnout At Shows How Do I Make Fans Using Facebook Twitter Tumblr And SoundCloud With every day that passes the power the major labels once had dies a little more The chance to get the same exposure as your favorite musicians gets easier and easier The hurdles that would only allow you to get popular if the right people said your music was good enough are gone You can now get exposed to thousands of potential fans without investing 1% of what musicians used to by building a fanbase based on listeners love for your music No more writing letters hoping that A R writes you back This book explains how you do it While many books will tell you obvious information legal mumbo jumbo and marketing catchphrases that don't help you get more fans Our experience working with real bands from upstarts like Man Overboard and Transit to legends like The Cure The Misfits and Animal Collective has led us to understand the insider tricks

and ideas that go into some of the most important groups of our time We produce records do licensing deals negotiate record contracts and get the musicians we work with written about on websites like Pitchfork and Vice We have worked with bands who started off as nothing and became something Unlike any other book written on the subject we have compiled the knowledge no one else has been willing to print in fear of obsoleting their own career We give you thousands of ideas on how to get people to hear your music and turn them into fans who pay to support your music Whether you are a label owner musician manager booking agent or publicist there is information in this book that will help you do what you do better Enjoy For more information see [GetMoreFansBook.com](http://GetMoreFansBook.com) *Business Week* ,2007
