Motor Age ,1911 FATHER'S GIFT Lt. Col. Vince Nwafor US Army (Ret.),2023-03-27 Who doesn't want a glimpse of the future and a chance to plan ahead and bypass any roadblocks In *Father's Gift* author Lt Col Vince Nwafor presents an informative guide to help you find your way early in life A road map of sorts it plants the seeds of hunger helping you learn and grow with the seasons of life and to improve the seeds you reap Through the fictional story of one family Nwafor prompts you to think ahead in time and space and know which direction you're moving As the grandfather shares his wisdom and experiences with his grandson Tiger the narrative leads you to untwine your lifeline into the triad of self empowerment building wealth and family relationships Filled with strategies to improve every aspect of life *Father's Gift* doesn't offer a Band Aid or a quick fix It's intended to imprint a positive lasting influence on the elements of your life cycle encouraging you to seize the opportunities that allow you to be what you could be and should be Making Connections Margaret Walsh,2017-05-15 This book argues that legal persuasion results from making and breaking mental connections To support this argument it follows a cognitive science roadmap while the author's road test the directions through rhetorical analysis By taking a rhetorical approach to persuasion the authors are able to integrate research from cognitive science with classical and contemporary rhetorical theory and then to apply both to the taking apart and the putting together of effective legal arguments The combination of rhetorical analysis and cognitive science yields a new way of seeing and understanding legal persuasion one that promises theoretical and practical gains The work has three main functions First it brings together the leading models of persuasion from cognitive science and rhetorical theory blurring boundaries and leverage connections between the often separate spheres of science and rhetoric Second it illustrates this persuasive synthesis by working through concrete examples of persuasion from real life legal contexts In this way the book demonstrates the advantages of a deeper and more nuanced understanding of persuasion Third the volume assesses and explains why how and when certain persuasive methods and techniques are more effective than others The book is designed to appeal to scholars in law rhetoric persuasion science and psychology to students learning the practice of law and to judges and practicing lawyers who engage in persuasion Fintech Explained Michael R.
