Introductory Statistics is intended for a one or two semester introductory statistics course. Students learn the core statistical concepts in an applied setting and can access more advanced topics: multiple regression, ANOVA, and Experimental Design through chapters available on the WeissStat CD. With advances in technology and new insights into the practice of teaching statistics, the sixth edition can now easily fit the organization and pace of various course syllabi and technologies in use. The book offers a flexible organization of content and has a more diversified emphasis on using technology such as Minitab, the TI 83 Plus graphing calculator, Excel, and the Internet to investigate statistical problems. NEW! All New Design: We have redesigned the text and now feature a four color format for improved readability and understanding. NEW! What Does It Mean? This feature, which appears throughout the book, presents the meaning and significance of the statistical results in plain everyday language and emphasizes the importance of interpretation. NEW! Technology Coverage: Students are introduced to technology at the section level with Minitab, Excel, and the TI 83 Plus.

Exploring the Practice of Statistics David S. Moore, George P. McCabe, Bruce A. Craig, 2012-12-28. Exploring the Practice of Statistics adapts the successful approach to data analysis of Moore, McCabe, and Craig's best-selling *Introduction to the Practice of Statistics* to a new organization that is streamlined for a one-semester course. Exploring the Practice of Statistics introduces data collection early and covers tests of proportions before tests of means. An engaging new opening chapter motivates students by presenting an overview of major statistical ideas in the context of contemporary applications. Part Reviews offer a large set of exercises that ask students to choose from and work with related concepts presented in several chapters. With an emphasis on real data and sound pedagogy, Exploring the Practice of Statistics is an exciting new option for instructors.
