Romantasy S This Week:

Fantasy from A to Z Joe Vasicek, 2011-01-01 From Tolkien to today why fantasy still matters Fantasy isn't just about dragons, quests, and magic; it's about wonder, meaning, and the longing for a world that feels more real than our own. In *Fantasy from A to Z*, author Joe Vasicek takes readers on a journey through twenty-six essays that explore the heart of the fantasy genre: what makes it timeless, what gives it power, and why it continues to speak to us in a world that has forgotten how to dream. From archetypes and epic battles to kings, magic, and the coming rise of noblebright, Vasicek traces fantasy's roots back to the myths and moral struggles that define us as human beings. Part literary exploration, part personal manifesto, this book is a love letter to the stories that shaped us and a roadmap for anyone who believes that the world of wonder is still worth fighting for.

New Chapters on the French Riviera Jennifer Bohnet, 2026-04-15 A BRAND NEW romantic Spring getaway read from bestseller Jennifer Bohnet. Perfect for the fans of Jill Mansell and Fern Britton. Can a grieving chef and a group of writers find their own happy endings? Eight months after his wife Jacqueline died in a tragic car accident, Michelin-starred chef and proprietor of Villa Celestia, Guy Lyon's life has been in freefall. Consumed by grief and plagued by questions as to why she was in a taxi that fateful day, the doors to Villa Celestia have remained closed. When a good friend, Sandy Thoreau, asks to rent the villa on the French Riviera for a fortnight to hold a women's writers' retreat after being let down, Guy reluctantly agrees. All the women at the retreat are looking forward to being inspired. Helena and her friend Mandy are writing debut novels. Isobel is editing a cosy crime story. Liz is desperate to kickstart a new book. Self-published author Lorraine is looking for advice, and Becky well, Becky is a law unto herself. Over the course of the next fortnight, two of these women will change the course of Guy's life forever, and new chapters, hopefully with happy endings, will begin for all of them. The perfect tonic and escapist read to the South of France, full of warmth and second chances. Praise for Jennifer Bohnet: With an idyllic French Riviera backdrop and a heartfelt story of second chances, romantic love, and the importance of family, joyously uplifting. Kate Frost: Unputdownable, a heart-warming story of love, family, and friendship in the glorious south of France. What's not to love? Lucy Coleman: I couldn't stop myself from turning the pages and read it in one sitting. I absolutely loved it. Highly recommended. Alison Sherlock: A beautifully written and heart-warming tale of family and friendship. Jessica Redland: There is much joy in this story, tempered with some bittersweet memories, but I can promise that you'll be left feeling both joyous and uplifted. Highly recommended. Reader Review: No surprises here. Just two sweet romances in a dream-come-true story. Not sappy, sweet, just charmingly so. Perfect for a rainy day on the couch or a sunny day on a patio. Reader Review: I absolutely love Jennifer's stories; the characters and storylines are superb, and she always leaves us wanting more. Reader Review: I couldn't put it down; it's definitely a page-turner. Reader Review: What a lovely happy story. Full of the ups and downs of life, but with a happy ending, full of love and promise. Thank you. Reader Review.

The Global ISBN Handbook Azhar ul Haque Sario, 2025-10-30 Have you ever wondered why that 13-digit number on the back of a book costs 125 in the United

States but is completely free in Canada and India This book The Global ISBN Handbook is your 2025 guide to the International Standard Book Number It explains everything about this global fingerprint for books The ISBN is the most important cornerstone of the publishing industry It started as a simple warehouse tool in the 1960s Now it is a complex digital identifier used in over 200 countries This handbook deconstructs the entire system It uses 15 distinct national case studies to do this You will learn how the old 10 digit system changed to the new 13 digit one We break down the five parts of the ISBN from the Bookland prefix to the final check digit The book explores the global governance framework starting with the International ISBN Agency Then it dives deep into how different countries run their systems You ll see the privatized high cost model in the United States You ll compare it to Canada s free government run system We explore the industry led models in Brazil and Germany We look at government run systems in Mexico and India We even cover the unique case of China where the ISBN is not a simple identifier but a state controlled publication license The book also examines the systems in the UK France Russia Japan Australia South Africa Nigeria and Egypt Many books and websites can tell you how to get an ISBN This handbook is the only resource that explains why the process is so different everywhere you look It moves beyond a simple how to and provides a true global analysis It directly compares the privatized for profit models in the US and UK against the free public good systems in Canada and South Africa You won t just learn the price you will understand the cultural policies market structures and legal philosophies that shape that price This book shows how the ISBN is a global mirror It reveals how a simple number can be a commercial product in one nation a tool of cultural policy in another and an instrument of state control in a third This comparative insight is the missing piece for any author publisher or researcher trying to navigate the complex international publishing market Disclaimer This handbook is an independently produced resource for commentary and analysis The author has no affiliation with the International ISBN Agency R R Bowker Library and Archives Canada the National Press and Publication Administration or any other national ISBN agency This work is independently produced under the principle of nominative fair use

Matthew St James was the Earl of Green Gables and Lord of Lilac Castle. A dragon of great title and magic but little wealth. Only one other knew what his true dragon was and Devon, King of the Dragons, wasn't telling anyone. Aisling was a rare white warrior dragon. She had been in slumber several hundred years, healing from a near fatal blow in a great war. She felt betrayed when Dak, her personal faerie, had been sharing information about her with Lord Connor. Now she had to go talk to him to determine what kind of payment he would extract from her for his protection while she slept. She had no coin. Not knowing what type of payment he would demand from her, had her heart twisted in torment. Aisling didn't trust anyone. Too many had betrayed her. And when she refused to speak with the king, Devon ordered her to go to his castle. He would make her listen to reason. Matt arrived at the castle before Devon but what he wasn't expecting to find was his mate. And because of his title, he couldn't get her to rise from groveling on the ground at his feet to even talk to her. When his dragon realized his mate was in front of him, the Earth dragon bypassed the man and bonded with the white dragon. The joining was both painful and spectacular. In pain, Aisling's dragon no longer white, took flight. When Matt finally found her, Aisling was no longer timid. She was mad as hell and out for blood.
