weekend at a time *Heavy Debt Lifts* Amelia Green, AI, 2025-02-27 *Heavy Debt Lifts* offers a practical guide to achieving financial freedom through a combination of strategic budgeting and income augmentation via side hustles. It emphasizes that while budgeting is essential for debt reduction, it might not be enough on its own; similarly, side work without a budget can lead to continued financial stagnation. The book argues that conscious spending aligned with personal values, coupled with diverse income streams, is the key to escaping debt. The approach begins by dispelling budgeting misconceptions, showcasing it as a tool for conscious spending rather than deprivation. *Heavy Debt Lifts* then explores various side hustles, helping readers identify opportunities based on their skills and interests. The book examines strategies for maximizing earnings and addresses important factors like time management and tax implications. Structured in three parts, the book progresses from core concepts of budgeting and debt management to exploring the world of side hustles, culminating in a step-by-step plan for creating a personalized debt reduction roadmap. This approach ensures that readers gain a comprehensive understanding of how to combine rigorous budgeting with strategic side work, ultimately empowering them to take control of their financial future and achieve lasting financial security.
