## **Army Lists Wargaming:**

*Wargaming* Neil Thomas,2012-06-19 A set of simple fast playing rules for wargaming the conflicts that re shaped Europe in the period 1815 78 This important yet often neglected period includes the Crimean War the Italian Risorgimento the wars of Bismarck s Prussia against Denmark Austro Hungary and France and the Russo Turkish war Tactically it saw armies struggle to adapt Napoleonic doctrines to incorporate important technological advances such as breech loading rifles steel breech loading cannon and the first machine guns The book includes brief analysis of the essential strategic and tactical military developments of the period a set of elegantly simple rules which are fast playing and easy to learn yet deliver realistic outcomes A selection of generic scenarios covering diverse situations such as flank attacks pitched battles and meeting engagements is supported by army lists for 28 different armies There are also 12 historical scenarios ranging from the Battle of the Alma in the Crimean War to Sedan in 1870 the decisive battle of the Franco Prussian War each with historical background deployment map orders of battle and any special rules for that engagement Useful appendices include a guide to further reading an overview and price guide to the many scales and ranges of figures available and a selection of useful addresses for the gamer

**Ancient and Medieval Wargaming** Neil Thomas,2007-06-21 Re fight some of the bloodiest battles of the ancient and medieval worlds Seasoned wargamer and author Neil Thomas brings historical perspective to the hobby with a description and interpretation of significant military developments from 3 000BC to AD1500 Wargaming is the simulation of accurate historical battles using miniature figures to fight over three dimensional terrain their movement and combat being regulated by clearly defined rules Neil Thomas new book provides specific coverage of ancient and medieval wargaming thanks to its division into biblical classical Dark Age and medieval sections Each section has its own set of rules and much expanded army lists The wargamer gains additional perspective from data panels containing facts about weaponry personalities and chroniclers and quotations from original document sources Useful suggestions for further reading are also included while battle reports in each section provide tactical insights for both novice and veteran wargamers

**Army List Builder Journal** Army Builder,2020-01-30 Army list builder for miniature tabletop war games Construct your most powerful army with this handy journal Includes 200 pages formatted to track faction descriptions stats points and total points 15 note pages featured at the end of the book

**Solo Wargaming** David Heading,2024-08-30 This practitioner s guide to solo wargaming offers comprehensive coverage of the subject showing how it can be a fascinating complement to social gaming or an entire hobby in its own right This book integrates ideas from across the hobby to discuss various aspects of gaming alone across all manner of conflicts whether land sea or air and in any historical period or imagined setting Starting with the fundamental question of why people play solo wargames David Heading lays out the various advantages and disadvantages He also considers such questions as whether to play both sides or to command one army against an automatic opponent giving various ideas on how to control or program the responses of the opposing force

with dice cards or by other means There is advice on how to construct challenging and interesting scenarios for one off engagements whether these are skirmishes or major battles historical events or more generic ones and how to combine these tactical actions into wider campaigns involving grand strategy logistics and other factors Tips on sustaining interest through such activities as recording results writing campaign diaries and online blogs will help you enrich your hobby The author has been playing solo wargames for forty years and shares the secrets of happy solo gaming Packed full of common sense advice and inspiration it offers plenty of value to the beginner and the seasoned veteran alike *De Bellis Renationis* Phil Barker, Richard Bodley Scott, 2015-03-31 *De Bellis Renationis* is a set of Wargames rules for Renaissance Battle covering the period from 1494AD to 1700AD It was first published in 1995 and later updated to version 2.0 published in 2004 It was accompanied by three books of Army Lists describing the main armies in use during the period This reprint of 2004 version DBR 2.0 provides both rules and army lists in a single convenient volume **One-Hour Wargames** Neil Thomas, 2014-09-03 A fun and practical new approach to wargaming that lets you complete a game in about an hour includes rule sets and scenarios for most popular periods One of the biggest problems facing wargamers is finding the time to actually play Most commercially available games require several hours to set up and see to a conclusion some can even take a whole day or weekend to complete Apart from time lack of space can also keep wargamers from enjoying their favorite pastime In *One Hour Wargames* veteran gamer and rule writer Neil Thomas has addressed both problems Now it is practical to play a satisfying game in around an hour on a normal dining table or living room floor The book contains 8 all new sets of very simple rules for various periods from Ancient to WW2 and thirty stimulating scenarios which can be played using any of them All the rules and scenarios are intended to be played on a 3ft x 3ft battlefield The rules only require a small number of miniatures so this really is an ideal way for new gamers or veterans trying a new period to get started with minimal investment of time and money Also ideal for a quick game in the evening with a friend Also included are sections on campaigns and solo games *Tabletop Wargames: A Designers' and Writers' Handbook* Rick Priestley, John Lamshead, 2016-11-30 Unlike chess or backgammon tabletop wargames have no single accepted set of rules Most wargamers at some point have had a go at writing their own rules and virtually all have modified commercially available sets to better suit their idea of the ideal game or to adapt favourite rules to a different historical period or setting But many who try soon find that writing a coherent set of rules is harder than they thought while tweaking one part of an existing set can often have unforeseen consequences for the game as a whole Now at last help is at hand Veteran gamer and rules writer John Lamshead has teamed up with the legendary Rick Priestley creator of Games Workshop's phenomenally successful Warhammer system to create this essential guide for any would be wargame designer or tinkerer Rick and John give excellent advice on deciding what you want from a wargame and balancing realism be it in a historical or a fantasy sci fi context with playability They discuss the relative merits of various mechanisms cards dice tables then discuss how to select

and combine these to handle the various essential game elements of turn sequences combat resolution morale etc to create a rewarding and playable game that suits your tastes and requirements **Rise of Rome** Richard Bodley-Scott,2008-02-19 Rise of Rome is the first companion list released to complement Field of Glory This visually stunning package contains comprehensive army listings with detailed historical overviews of each army supporting maps and Osprey artwork bringing the history of the Roman Republic to life and extending the gaming possibilities for Field of Glory players Covering the soldiers of the Republic as well as their many enemies this title puts you in the midst of Rome's titanic struggle for empire From the war against Pyrrhos of Epeiros until the victories of Augustus and with conflicts such as the Punic Wars including Rome's bloody conflict with Hannibal these army lists will help any gamer refight some of the world's greatest battles
