Community Engagement for Machine Learning **The Sacred Chain** Jim Stump,2024-04-02 In this marvelously accessible  
book philosopher Christian Jim Stump provides the reader with new eyes for a journey through time the origin of the soul

humans are created in the image of God what does evolution have to teach us about our species and our place in creation  
What about the soul How can we understand our transcendent qualities if the human body is the product of evolution How  
does evolutionary science help us understand how God might use pain and suffering for important and good purposes Does it
