Strategic Marketing Management Syed Akhter,Barney Pacheco,2020-01-13 The fourth edition of Strategic Marketing Management helps your students understand why strategies are developed how strategies should be developed

what type of strategies are appropriate for different market conditions and how strategies achieve a sustainable competitive advantage The authors explain how beliefs and knowledge about markets shape the development of strategies and how to become effective and ethical decision makers *Principles of Microeconomics* Martin Kolmar,2017-09-11 This text provides a comprehensive and unique introduction to modern microeconomics It pursues an integrative approach by putting the main findings of economics into a broader perspective theories are critically reflected on from a philosophical standpoint and by comparing them to approaches found in the social sciences while implications for the design of the legal system and business practices are highlighted throughout In addition the book presents brief examples and comprehensive case studies to facilitate an understanding of the theories real world implications Starting from the question as to why and how societies organize economic activity the book adopts an institutional perspective to analyze the potential and limitations of different market types with regard to alleviating scarcity and achieving distributive objectives It not only covers traditional rational choice models but also systematically introduces readers to important findings from behavioral economics and psychology A companion workbook is available which features a wide variety of exercises ranging from basic multiple choice questions to challenging mathematical problems and case study scenarios

Customer-Dominant Logic Manfred Bruhn,Maxim Saleschus,Karsten Hadwich,2024-11-26 This book provides a structured overview of Customer Dominant Logic and formulates fundamental principles that form the basis for a realignment of customer oriented corporate management Customer Dominant Logic is an innovative marketing logic that consistently places the customer at the center of all business activities This requires a fundamental shift in perspective where the integration of the provider with the customer takes precedence over the integration of the customer with the provider Based on the principles of Customer Dominant Logic the authors present their own and new systematic management approach They introduce Customer Dominant Management detailing all necessary phases of a management process Customer Dominant Management aims to realize both customer and company goals through the establishment of a partnership with value creating offerings in the customer ecosystem
