Islamic Banking and Finance in the European Union M. Fahim Khan, Mario Porzio, 2010-01-01 As an introduction to the complex issue of harmonization of legal and regulatory structure of the European financial system and Islamic finance this is a useful and welcome volume The ideas insights and practical issues addressed in the informed papers that compose the book should be valuable for academics and students of finance and to those who provide legal and financial services The book will be helpful also to European regulators who have yet to appreciate the importance of Islamic finance and its potential contribution to financial globalization as well as to European economic growth Abbas Mirakhor Former Executive Director International Monetary Fund US This timely book examines the authorization of Shari ah compliant intermediaries as either credit institutions or as investment companies in the European Union The contributing authors explore the key topics of this area through differing yet parallel perspectives for example comparing economic and legal standpoints looking at both European and national levels and considering both academic and technical approaches The book discusses the common origin of Islamic and Western traditions in commercial and banking transactions reviewing a period in which the Italian merchants and their organizations drove the rebirth of post medieval society in trade and law The editors investigate whether the Islamic banking and financial model complies with the European framework spelling out the different experiences in single Member States Germany France Italy and the United Kingdom Notwithstanding the obstacles to being authorized as domestic credit institutions they conclude that the access of Islamic intermediaries is suitable and may have positive effects on European integration as well as increasing the competition among the stand still operators and evoking the ethical dimension of banking and finance The book also highlights how Islamic banking would make the industry more inclusive This multidisciplinary book will appeal greatly to economics and legal scholars with an interest in European and international banking and financial law as well as postgraduate students in international law and banking law Practitioners and regulators will also find this book an invaluable resource

Islamic Social Finance Valentino Cattelan, 2018-08-06 The current dynamics of world economy show remarkable changes in the socio economics of credit provision and entrepreneurship If the emergence of the sharing economy is

fostering innovative models of collaborative agency networking and venture business economic actors are also looking for a more sustainable development able to foster profitability as well as community welfare This book investigates Islamic social finance as a paramount example of this economy under change where the balance between economic efficiency and social impact is contributing to the transformation of the market from an exchange to a community oriented institution The collected essays analyse the social dimension of entrepreneurship from an Islamic perspective highlighting the extent to which the rationales of sharing distribution and cooperation affect the conceptualization of the market in Islam as a place of shared prosperity Moving from the conceptual roots of this paradigm to its operative branches the contributing authors also connect the most recent trends in the financial market to Shari ah based strategies for community welfare hence exploring the applications of Islamic social finance from the sharing economy FinTech and crowdfunding to microcredit waqf zakat sukuk and green investments An illuminating reference for researchers practitioners and policy makers dealing with the challenges of a global market where not only is diversity being perceived as a value to be fostered but also as an important opportunity for a more inclusive economy for everybody

Religion, regulation, consumption John Lever, Johan Fischer, 2018-01-09 This book explores the emergence and expansion of global kosher and halal markets with a particular focus on the UK and Denmark Kosher is a Hebrew term meaning fit or proper while halal is an Arabic word that literally means permissible or lawful This is the first book to explore kosher and halal comparatively at different levels of the social scale such as individual consumption the marketplace religious organisations and the state Kosher and halal markets have become global in scope and states manufacturers restaurants shops certifiers and consumers around the world are faced with ever stricter and more complex kosher and halal requirements The research question in this book is What are the consequences of globalising kosher and halal markets

Animal Welfare in World Religion Joyce D'Silva, 2023-05-01 This unique and readable book examines the relationship between religion and animal welfare taking a detailed dive into the teachings and practices of the major world religions While there are many books expounding the beliefs of the major religions and many about the rights and welfare of animals there are few linking the two With each chapter focusing on one of the five major religions Judaism Christianity Islam Hinduism and Buddhism the book explores the beliefs and practices which drive our relationship with and treatment of animals The book draws on the scriptures of the major faiths and includes the voices of leading historical religious figures and contemporary faith leaders In doing so it compares the teachings of old with contemporary practices and showcases the impact of the major religions on both the protection and exploitation of animals from running animal sanctuaries to participating in or condoning cruel sports and factory farming Importantly the book also includes a chapter looking beyond the major world religions where it examines a wider range of beliefs and practices including Indigenous peoples from the USA and Australia Jainism Sikhism and Rastafarianism to provide fascinating insights into another range of beliefs and views on the human animal relationship Overall this book challenges

and encourages religious leaders and followers to re-examine their teachings and to prioritise the well-being of animals. This book is essential reading for those interested in the role of religion in animal welfare, human-animal studies, and animal welfare and ethics more broadly.

Managing Protected Areas Niall Finneran, Denise Hewlett, Richard Clarke, 2023-12-26
This open access book brings together 16 specially commissioned chapters drawn from a range of different professional practitioners and academic global perspectives on the importance of the relationship between people and green and blue spaces. It focuses on issues surrounding the importance of natural environments on public health and wellbeing and the environmental, cultural, and social importance of green and blue spaces that can result through responsible and sustainable adaptive management processes. It explores how the Covid-19 pandemic forced reconsiderations of our relationship with these natural spaces and highlights the important impact of the pace of climate change. While not pretending to have the answers, the stimulating and imaginative contributions embrace rich perspectives drawn from backgrounds as diverse as heritage studies, tourism, conservation, geography, policy formulation, public health, environmental health, research methods, history, literature, art, and theology.

European Forests and Beyond Antti Erkkilä, 2005

Towards the Summit of Reality Julio Savi, 2008
During his sojourn in Sulaymaniyah in the 1850s, Baha'u'llah came into contact with eminent Sufi leaders. In the Seven Valleys and the Four Valleys epistles revealed for two of them, He sets forth the foundations of a renewed spiritual path. Abdu'l-Baha described the Seven Valleys as a guide for human conduct. This major new study focuses on the historical, doctrinal, and literary background of the Seven Valley and the Four Valleys and on Baha'u'llah's revision of Sufi concepts in the light of the teachings of His new Revelation.

Muslim and Christian Understanding Waleed El-Ansary, David K. Linnan, 2010-10-15
This book explores *A Common Word Between Us and You*, a high-level ongoing Christian-Muslim dialogue process. The Common Word process was commenced by leading Islamic scholars and intellectuals as outreach in response to the Pope's much-criticized Regensburg address of 2007 and brings to the fore, in the interest of developing a meaningful peace, how the Islamic and Christian communities representing well over half of the world's population might agree on love of God and love of neighbor as common beliefs.

[Top Ten Global Justice Law Review Articles 2007](#) Amos N. Guiora, 2008-09-04
Top Ten Global Justice Law Review Articles 2007 is a thorough and accessible review of the most salient, the most controversial, and the most illuminating essays on security law in the previous calendar year. In this edition, Professor Amos Guiora presents the ten most vital and pertinent law review articles from 2007 written by both scholars who have already gained international prominence as experts in security law as well as emerging voices in the security law debate. These articles deal with issues of terrorism, security law, and the preservation of civil liberties in the post-9/11 world. The chosen selections derive not just from the high quality and expertise of the articles' authors but equally from the wide diversity of legal issues addressed by those authors. Guiora combines the expertise of scholars from such accredited institutions as Harvard, Stanford, the U.S. Military Academy, and the U.S. Department of Defense to provide a valuable resource.

for scholars and experts researching this important subject area This annual review provides researchers with more than just an authoritative discussion on the most prominent security debates of the day it also educates researchers on new issues that have received far too little attention in the press and in academia These expert scholars and leaders tackle and give voice to these issues that range from cyberterror to detention of suspected terrorists to France s tightening of its civil liberties policy to new restrictions on religious philanthropy and beyond Together the vast knowledge and independent viewpoints represented by these ten authors make this volume of what will be an annual review within the Terrorism 2nd Series a valuable resource for individuals new to the realm of security law and for advanced researchers with a sophisticated understanding of the field
