Mobile App Product Requirements Document

I. Introduction

A. Purpose

This document delineates the essential requirements and objectives for the development of **[App Name]**, an innovative mobile application designed to streamline and enhance personal finance management processes. By outlining the specific functionalities and user experience expectations, this document serves as a foundational guide for the development team to ensure the successful realization of the app's objectives.

B. Scope

The scope of this project encompasses a comprehensive set of features and user interactions tailored to meet the diverse needs of individuals seeking effective solutions for managing their finances. From intuitive user interfaces to robust backend systems, **[App Name]** aims to deliver a seamless and engaging experience for users across various platforms and devices.

II. Stakeholders

- **Project Sponsor: Alanis Durgan**, the driving force behind the conceptualization and implementation of **[App Name]**, provides strategic guidance and support throughout the development process.

- **Development Team:**
  - **Lead Developer: Javier Jacobs**, responsible for overseeing the technical aspects of the project and ensuring the successful execution of the development roadmap.
  - **UI/UX Designer: Tom Walter**, is tasked with crafting intuitive and visually appealing interfaces that optimize user engagement and satisfaction.

III. User Stories

- **User Registration:** Enable users to effortlessly create accounts through a seamless sign-up process utilizing email or social media credentials, ensuring a frictionless onboarding experience.
