

Project Budget Items and Sample Budget

A budget for PMO operations typically includes items such as:

- Recruitment of international and national staff
- Training for and medical services
- Communications
- IT support
- Meetings and workshops
- International airfare and per diem
- Security fees
- Establishment of a sub-office (see Annex B)
- Purchase of office

Make sure that your estimates are realistic. Include contingencies for each budget line. Use standard rates for staff, but just estimates of courses, and include installation allowances where relevant.

Include provision for a local finance and administrative staff member to track expenditures and prepare spreadsheets, including tables and reports.

Include items (purchase of local operating equipment) such as:

- Running costs of a sub-office (rent, rates, electricity, phone bills, water, security, maintenance)
- Maintenance of office equipment
- Office stationery and supplies
- Car maintenance and operations
- Fuel for generator and vehicles
- Mobile (contracted) phone bills
- Computer and internet connectivity
- Miscellaneous contracts for the provision of local services
- Security expenses (door guards and armament)
- Insurance

Use \$20,000 per month as a very rough estimate, pending detailed information on local costs.

Include general management, monitoring and reporting (PMO) costs to the PMO and HQ at a standard rate of 10% on the total cost of the activities, except in projects for ECHO operations.

Include programme support costs (PSC) – usually 100% PMO on the appropriate PSC rate to be used – under [“Programme Support Costs”](#). PMO is applied to a country covered by 200% CAP or 100% Support, a country or region for which Strategic Operations Commitment has assumed a 7% cost, and for ECHO grants. The rate is 10% for other countries.

See 1.1 [ECHO Budget Model](#) for details on possible options for a 7% PSC rate.

For guidance on PMO and PSC, see 1.1 [ECHO B.U.](#)

For more guidance on standard costs and budget formats, see the budget planning table in 1.1 [ECHO B.U.](#) [ECHO B.U.](#) also includes a 20% formatted table structure: PMO and PSC costs, and a sample completed budget.
