Sterling's College Admission Survival Guide Senior Year Stephen Charles Sterling,Dorothy Roman Sterling,2006-05 Sterling s College Admission Survival Guide is the college and university guide for understanding the entire college admission process How to College Andrea Malkin Brenner,Lara Hope Schwartz,2019-04-23 The first practical guide of its kind that helps students transition smoothly from high school to college The transition from high school and home to college can be stressful Students and parents often arrive on campus unprepared for what college is really like Academic standards and expectations are different from high school families aren t present to serve as scaffolding for students and first years have to do what they call adulting Nothing in the college admissions process prepares students for these new realities As a result first year college students report higher stress more mental health issues and lower completion rates than in the past In fact up to one third of first year college students will not return for their second year and colleges are reporting an increase in underprepared first year students How to College is here to help Professors Andrea Malkin Brenner and Lara Schwartz guide first year students and their families through the transition process during the summer after high school graduation and throughout the school year preparing students to succeed and thrive as they transition and adapt to college The book draws on the authors experience teaching writing curricula and designing programs for thousands of first year college students over decades

Doing More with Less Joshua C. Hall,2010-08-18 This volume contains a collection of papers by economists which examine the various strategies for cutting costs and improving productivity in higher education in the United States The dramatic increase in the cost of attending most colleges and universities in recent years has led to increasing concerns regarding college affordability In addition with nearly 35 percent of full time college students failing to receive a bachelor s degree within six years of enrolling in an institution of higher education the productivity of colleges and universities has also been called into question Systematic reform of higher education has intensified as a result of the large amount of public and private dollars flowing into it The chapters in this volume while recognizing it may be the primary source of the problem also understand that the political forces behind the subsidization of higher education are unlikely to wane The contributors examine several areas of possible reform from an economic perspective including financial aid systems athletics and the organization of universities and university systems with an emphasis on identifying the types of reforms that are most likely to result in improvements as
