Working With Women R. S. Houde, 2011-12-27 Traditional thinking is as the statistics show that men and their behaviors seems to be the major issue that is causing this problem of sexual harassment and that women are for the majority of the cases the victims of sexual harassment So what are men to do to overcome this unfortunately accurate stereotype Simple men need a guide book a book that is written in a way they can understand This book needs to be formatted in an easy to read and understand way with simple and basic rules that can guide them through their issues they may be having with the women they work with This book also needs to be written by someone with real man clout not some woman professor at some university no one has ever heard of No the writer of this book needs to be experienced practical and above all manly in a macho sense I have written such a book **Zingerman's Guide to Giving Great Service** Ari Weinzweig, 2003 Do you

really need another book on customer service There are hundreds you could choose from and you've probably read at least a dozen Why should you take advice from a deli with a funny name in Ann Arbor Michigan Because the way Zingerman's teaches service is different better and more successful than the way others do it Because while most customer service books give you philosophy and theory Zingerman's tells you exactly what to do and exactly how to do it Because one of Zingerman's founding partners Ari Weinzweig has distilled the most important facts about effective customer service into concise and snappy formulas that are easy for you and the people who work with you to remember and use Do you really need another book on customer service Yes But after you read this one you won't Book jacket *Drew's Rules: A Guide to Customer*
