

Shirley Valentine, Willy Russell (COMEDY)

SHIRLEY VALENTINE

I'm not even particularly fond of it – sex. I'm not. Course it would've been different if I'd been born in to the next generation. 'Cos it's different for them isn't it? They discovered it, y'see, the clitoris. 'The Clitoris Kids' I call them. And good luck to them, I don't begrudge them anythin'. But when I was a girl we'd never heard of this clitoris. Y'see, the clitoris hadn't been discovered then, had it? I mean, obviously, it was always there, like penicillin, an' America. It was there, but it's not really there until it's been discovered, is it? Maybe I should have married Christopher Columbus!

I was about twenty-eight when I first read all about it, the clitoris. It was dead interestin'. I was fascinated. But y'know when you read a word for the first time an' you've never heard it spoken, you can get it wrong can't y'? Y'know pronounce it wrong. When I first read the word I thought it was pronounced clitORis. I still think it sound nicer that way actually. ClitORis. That even sounds like it could be a name doesn't it? ClitORis. Oh shut up, I think it sounds nice. Why not? There's plenty of men walkin' around called 'Dick'.
