Amok Stefan Zweig, 2017-05-12 The nameless first person narrator travels from India to Europe on the ocean liner Oceania in 1912 One night during a walk on deck he meets a man who is disturbed and scared and avoids any social contact on the ship The following night the narrator meets this man again Although intimidated at first the man soon begins to trust the narrator and tells him his story When the first person narrator offers to help the doctor the latter categorically turns down the offer disappearing to be never heard of again Only at the arrival in Naples the narrator learns about a mysterious accident that happened while the cargo was being discharged when the lead coffin with the woman's remains was being unloaded the doctor threw himself onto the coffin that was fastened to ropes thereby dragging both the coffin and him down to the bottom of the sea Neither could the person running amok be saved nor could the coffin be recovered *Amok and other Stories* Stefan Zweig, 2007-02-20 A doctor in the Dutch East Indies torn between his medical duty to help and his own mixed emotions a middle aged maidservant whose devotion to her master leads her to commit a terrible act a hotel waiter whose love for an unapproachable aristocratic beauty culminates in an almost lyrical death and a prisoner of war longing to be home again in Russia In these four stories Stefan Zweig shows his gift for the acute analysis of emotional dilemmas His four tragic and moving cameos of the human condition are played out against cosmopolitan and colonial backgrounds in the first half of the twentieth century *Amok* Stefan Zweig, 19?? *Amok* Stefan Zweig, 1931 From the Book Review Digest A German doctor degraded by a life of loneliness in the Dutch East Indies runs amuck when he is overcome with remorse at having refused the appeal of a woman who sought his aid He himself tells his story to a fellow passenger on a steamer returning to Europe before he commits suicide in a last effort to guard the woman's secret Amok Stefan Zweig, 2004
