Jennifer Reynolds-Kaye, Yale University. Art Gallery, 2017-01-01 Small Great Objects presents a remarkable look into the art collecting practices of two of modern art's most widely influential figures Anni 1899 1994 and Josef 1888 1976 Albers Their impressive collection of over 1 400 objects from Latin America namely Mexico and Peru represents a conscious endeavor that goes well beyond that of a casual hobby displaying a deep appreciation for the art textiles and overall ingenuity of the ancient American world This insightful book draws on primary source materials such as the couple's letters personal papers and archival photographs many never before published and demonstrates their conviction that these Prehispanic objects displayed a formal sophistication and bold abstraction that defy the prevalent conception of the works as primitive Moreover it shows how the Alberses spread their appreciation of the ancient world to others through their teachings their writings and their own art practices Anni Albers and Ancient American Textiles Virginia Gardner Troy, 2002 Anni Albers was a

founding member of the Bauhaus weaving workshop Her teachers and colleagues at the Bauhaus included Itten Kandinsky and Klee whose intellectual study of primitive art proved crucial both in raising the status of that art and in establishing a model for the discussion of modern abstract work Albers own investigation of the techniques and abstract designs of ancient American weavers led her to argue that their skill was unsurpassed in the modern world and to employ those techniques in her own work Virginia Gardner Troy continues Albers story beyond the Nazi closure of the Bauhaus to her emigration to America and subsequent association with the Black Mountain College Albers was able to build up a significant collection of ancient Peruvian textile art and to establish an international reputation for her own textiles Extensively illustrated this book offers a fascinating insight into Anni Albers work and the history of the re-evaluation of ancient skills and techniques in weaving *Anni Albers* Anni Albers, 1966 *The Bauhaus Weaving Workshop*, 1987 *Josef and Anni Albers Foundation* Josef and Anni Albers Foundation, *Anni Albers* Anni Albers, 1980
