Transformed States Martin Halliwell,2024-11-15 *Transformed States* offers a timely history of the politics ethics medical applications and cultural representations of the biotechnological revolution from the Human Genome Project to the COVID 19 pandemic In exploring the entanglements of mental and physical health in an age of biotechnology it views the post Cold War 1990s as the horizon for understanding the intersection of technoscience and culture in the early twenty first century The book draws on original research spanning the presidencies of George H W Bush and Joe Biden to show how the politics of science and technology shape the medical uses of biotechnology Some of these technologies reveal fierce ideological conflicts in the arenas of cloning reproduction artificial intelligence longevity gender affirmation vaccination and environmental health Interweaving politics and culture the book illustrates how these health issues are reflected in and challenged by literary and cinematic texts from *Oryx and Crake* to *Annihilation* and from *Gattaca* to *Avatar* By assessing the complex relationship between federal politics and the biomedical industry *Transformed States* develops an ecological approach to public health that moves beyond tensions between state

governance and private enterprise To that end Martin Halliwell analyzes thirty years that radically transformed American science medicine and policy positioning biotechnology in dialogue with fears and fantasies about an emerging future in which health is ever more contested Along with the two earlier books *Therapeutic Revolutions* 2013 and *Voices of Mental Health* 2017 *Transformed States* is the final volume of a landmark cultural and intellectual history of mental health in the United States journeying from the combat zones of World War II to the global emergency of COVID 19 Acceptance Jeff VanderMeer,2014-09-02 It is winter in Area X A new team embarks across the border on a mission to find a member of a previous expedition who may have been left behind As they press deeper into the unknown navigating new terrain and new challenges the threat to the outside world becomes more daunting In *Acceptance* the last installment of Jeff VanderMeer's Southern Reach Trilogy the mysteries of Area X may have been solved but their consequences and implications are no less profound or terrifying **A History of the Literature of the U.S. South: Volume 1** Harilaos Stecopoulos,Harry Stecopoulos,2021-05-20 Drawing on diverse theories and methods this collective volume emphasizes the multi ethnic and transnational aspects of southern literature over a four hundred year period **Speculative Cartographies** Grzegorz Czemieli,2026-03-09 Grzegorz Czemieli examines ways in which cartography has been imaginatively reclaimed in philosophy literature and art to develop new ontologies that challenge unreflective anthropocentrism and capitalist driven globalization Speculative cartographies strive to account for material processes occurring across various spatiotemporal scales In effect they open alternative visions of the global situating humanity in the planetary context and responding to today's environmental crises Exploratory map makers enquire about the relationship between people and Earth transforming notions of humanism and nature in the process Such efforts contribute to the development of a materialist cartographical imagination necessary to interrogate capitalist realism and envision sustainable futures *Annihilation* Alex Garland,2018-03-12 Following on from the success of his thriller *Ex Machina* Alex Garland returns to cerebral sci fi with his adaptation of Jeff VanderMeer's cult novel a tale of a biologist attempting to uncover the mystery of her husband's disappearance into a restricted zone What she and her fellow scientists discover is a world populated by mysterious life forms that might offer answers but which exposes them to madness and death Beside the screenplay the book also includes 20 pages of behind the scenes photos *Area X* Jeff VanderMeer,2014-11-18 A single volume hardcover edition that brings together the three volumes of the Southern Reach Trilogy which were originally published as paperback originals in February May and September 2014 *Annihilation* is the first volume in Jeff VanderMeer's Southern Reach trilogy *Authority* is the second and *Acceptance* is the third Area X a remote and lush terrain has been cut off from the rest of the continent for decades Nature has reclaimed the last vestiges of human civilization The first expedition returned with reports of a pristine Edenic landscape all the members of the second expedition committed suicide the third expedition died in a hail of gunfire as its members turned on one another the members of the eleventh expedition returned as shadows of their former selves and

within months of their return all had died of aggressive cancer This is the twelfth expedition Their group is made up of four women an anthropologist a surveyor a psychologist the de facto leader and our narrator a biologist Their mission is to map the terrain and collect specimens to record all their observations scientific and otherwise of their surroundings and of one another and above all to avoid being contaminated by Area X itself They arrive expecting the unexpected and Area X delivers they discover a massive topographic anomaly and life forms that surpass understanding but it s the surprises that came across the border with them and the secrets the expedition members are keeping from one another that change everything After the disastrous twelfth expedition chronicled in Annihilation the Southern Reach the secret agency that monitors these expeditions is in disarray In Authority John Rodriguez aka Control is the team s newly appointed head From a series of interrogations a cache of hidden notes and hours of profoundly troubling video footage the secrets of Area X begin to reveal themselves and what they expose pushes Control to confront disturbing truths about both himself and the agency he s promised to serve And the consequences will spread much further than that It is winter in Area X in Acceptance A new team embarks across the border on a mission to find a member of a previous expedition who may have been left behind As they press deeper into the unknown navigating new terrain and new challenges the threat to the outside world becomes more daunting The mysteries of Area X may have been solved but their consequences and implications are no less profound or terrifying

Veniss Underground Jeff VanderMeer,2023-04-11 From the New York Times bestselling author of Annihilation Jeff VanderMeer s first novel Veniss Underground takes readers on a journey to a labyrinthine city of tunnels and the dangers lurking behind each turn This paperback edition features the bonus novella Balzac s War In a dark and decadent far future the city of Veniss persists beside a dead ocean Earth has become a desert wasteland ravaged by climate change Veniss endures on the strength of its innovative tech of almost Boschian intensity but at what cost Where does the line between made creature and person lie Against this backdrop Veniss Underground spins the tale of Nicholas an aspiring struggling Artist his twin sister Nicola and Shadrach Nicola s former lover A fateful trip by Nicholas to the maverick biotech Quin will have far reaching consequences for all three and for the fate of Veniss itself as insurrection stirs and the oppressed begin to revolt Veniss Underground is Jeff VanderMeer s first novel a spectacular surreal foray into a world as influenced by Alejandro Jodorowsky as by Ursula K Le Guin Readers of VanderMeer s later work will be enchanted and horrified by the marvels within including the author s signature fascination with the nonhuman and the environment By turns beautiful and powerful Veniss Underground explores the limits of love memory and obsession against a backdrop of betrayal and biological mutation This reissue includes a new introduction by the National Book Award winning author Charles Yu and a bonus story from Jeff VanderMeer
