## **Antigonick:**

Antigonick Anne Carson, 2015-05-29 An illustrated new translation of Sophokles Antigone Anne Carson has published translations of the ancient Greek poets Sappho Simonides Aiskhylos Sophokles and Euripides Antigonick is her seminal work Sophokles luminous and disturbing tragedy is here given an entirely fresh language and presentation This paperback edition includes a new preface by the author Dear Antigone

On Belonging and Not Belonging Mary Jacobus, 2024-11-26 A look at how ideas of translation migration and displacement are embedded in the works of prominent artists from Ovid to Tacita Dean On Belonging and Not Belonging provides a sophisticated exploration of how themes of translation migration and displacement shape an astonishing range of artistic works From the possibilities and limitations of translation addressed by Jhumpa Lahiri and David Malouf to the effects of shifting borders in the writings of Eugenio Montale W G Sebald Colm T ib n and many others esteemed literary critic Mary Jacobus looks at the ways novelists poets photographers and filmmakers revise narratives of language identity and exile Jacobus s attentive readings of texts and images seek to answer the question What does it mean to identify as or with an outsider Walls and border crossings nomadic wanderings and Alpine walking the urge to travel and the yearning for home Jacobus braids together such threads in disparate times and geographies She plumbs the experiences of Ovid in exile Frankenstein s outcast Being Elizabeth Bishop in Nova Scotia and Brazil Walter Benjamin s Berlin childhood and Sophocles s Antigone in the wilderness Throughout Jacobus trains her eye on issues of transformation and translocation the traumas of partings journeys and returns and confrontations with memory and the past Focusing on human conditions both modern and timeless On Belonging and Not Belonging offers a unique consideration of inclusion and exclusion in our world

Humanism, Drama, and Performance Hana Worthen, 2020-10-13 This book examines the appropriation of theatre and theatrical performance by ideologies of humanism in terms that continue to echo across the related disciplines of literary drama theatre and performance history and studies today From Aristotle onward theatre has been regulated by three strains of critical poesis the literary segregating theatre and the practices of the spectacular from the humanizing work attributed to the book and to the internality of reading the dramatic approving the address of theatrical performance only to the extent that it instrumentalizes literary value and the theatrical assimilating performance to the conjunction of literary and liberal values These values have been used to figure not only the work of theatre but also the propriety of the audience as a figure for its socializing work along a privileged dualism from the aestheticized ensemble harmonizing actor character and spectator to the essentialized drama to the politicized assembly theatre understood as an agonistic gathering

Adapting Greek Tragedy Vayos Liapis, Avra Sidiropoulou, 2021-04-01 Adaptations of Greek tragedy are increasingly claiming our attention as a dynamic way of engaging with a dramatic genre that flourished in Greece some twenty five centuries ago but remains as vital as ever In this volume fifteen leading scholars and practitioners of the theatre systematically discuss contemporary adaptations of Greek tragedy and explore the challenges and rewards involved therein

Adopting a variety of methodologies viewpoints and approaches the volume offers surveys of recent developments in the field engages with challenging theoretical issues and shows how adapting Greek tragedy can throw new light on a range of contemporary issues from our relation to the classical past and our shifting perceptions of ethnic and cultural identities to the place function and market value of Greek drama in today s cultural industries The volume will be welcomed by students and scholars in Classics Theatre Drama and Performance Studies as well as by theatre practitioners **Antigone**

Sophocles,2012-08-07 Among the most celebrated plays of ancient Athens Antigone is one of the seven surviving dramas by the great Greek playwright Sophocles now available from Harper Perennial in a vivid and dynamic new translation by award winning poet Robert Bagg Powerfully portraying the clash between civic and familial duty between morality and obedience the play brings the Oedipus Cycle to a conclusion with the story of the tragic hero s eldest daughter Antigone who courts her own death by defying the edict of Thebes s new ruler her uncle Kreon which forbids giving her dishonored brother a proper burial This is Sophocles vibrant and alive for a new generation **Public Documents of the State of Wisconsin**

## Antigonick Introduction

In the digital age, access to information has become easier than ever before. The ability to download Antigonick has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Antigonick has opened up a world of possibilities. Downloading Antigonick provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Antigonick has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Antigonick. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Antigonick. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Antigonick, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Antigonick has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
