The Wave Morton Rhue:

The Wave Morton Rhue,2016-08-04 Why didn't anyone stop them Laurie's classmates are changing from normal teenagers into chanting saluting fanatics The Wave is sweeping through the school and it is out of control Based on a nightmarish true episode in a Californian high school this story of a fascinating experiment in World War II studies 4 me de couverture

The Wave Morton Rhue,2008 A simple history experiment at her school turns Laurie's friends into chanting saluting fanatics They scoff at her warnings but she desperately fights to get through to them before it is too late Based on a true incident

The Wave Todd Strasser,2013-01-08 This novel dramatizes an incident that took place in a California school in 1967 A teacher creates an experimental movement in his class to help students understand how people could have followed Hitler The results are astounding The highly disciplined group modeled on the principles of the Hitler Youth has its own salute chants and special ways of acting as a unit and sweeps beyond the class and throughout the school evolving into a society willing to give up freedom for regimentation and blind obedience to their leader All will learn a lesson that will never be forgotten

The Wave Todd Strasser,1981 Wave E. Scholtens,C. Bosker,1993 A Teacher's Guide to The Wave, a Novel by Morton Rhue Lou Willett Stanek,1981 Radical Children's Film and Television Noel Brown,2025-06-30 There is a long history of radical children's film and television which subverts political orthodoxies and challenges aesthetic conventions often beneath a cloak of innocence However these rich traditions of radical screen content for children have received remarkably little attention This volume redresses the balance With contributions from leading authorities in the field and reference to both iconic and neglected media from around the world this book sheds light on film and television for children that seeks to make a critical intervention in culture and society It also investigates the subversive uses of children's media culture by individuals communities of fandom political groups and creative practitioners In so doing it represents a major addition to existing scholarship in the field of children's film and television
