Nfl Schedule How To Store Hours:

The Business of Sports Scott Rosner, Kenneth Shropshire, 2011-01-07 The Business of Sports Second Edition is a comprehensive collection of readings that focus on the multibillion dollar sports industry and the dilemmas faced by today's sports business leaders. It covers professional Olympic and collegiate sports and highlights the major issues that impact each of these broad areas. The Second Edition provides insight from a variety of stakeholders in the industry and covers the major business disciplines of management, marketing, finance, information technology, accounting, ethics, and law. Each chapter features concise introductions, a broad range of focused readings, and targeted discussion questions and graphs and tables to convey relevant financial data and other statistics.

This Business of Broadcasting Leonard Mogel, 2004 This guide provides industry background and career advice in a three-part arrangement. The first on television covers organizational structures within the networks and stations, programming, syndication, new technology, and the structures of cable television. The second part on radio focuses on programming formats, advertising formats, advertising.

Understanding Business & Legal Aspects of the Sports Industry, 2000

International Sports Law and Business Aaron N. Wise, Bruce S. Meyer, 1997-05-23 This comprehensive three-volume set focuses on the legal and business aspects of sports in the United States and abroad. The authors have presented the subject matter from a practical and pragmatic perspective yet with analytical precision and attention to fine points of detail. This book is composed of five parts. Part I deals with the law and business of sports in the United States with the primary emphasis on the legal aspects of professional sports. Part II deals with the internationalization of sports from various perspectives, principally North American team sports. Part III explores the law and business of sports in 18 non-U.S. jurisdictions, subject matter hardly covered in other sources if at all. Part IV treats the legal and to some extent business aspects of broadcasting and sports both in the United States and in selected foreign jurisdictions. Part V focuses upon sports marketing in its various forms in the United States as well as its international perspectives. This easy-to-read work is unmatched in that it covers subjects not addressed or only tangentially addressed in other works, presents insiders' perspectives on the subject matter, and focuses extensively on international aspects of sports law and business in connection with many different subjects. Among its exhibits: International Sports Law and Business includes a World League of American Football Standard Player Contract form, a sample World League of American Football Acquisition and Operation Agreement, Statute of Court of Arbitration for Sport, and Regulations. It also includes a comprehensive index.
