How to Survive Losing a Loved One Karen Jackson Taylor, Christine Pearson, 2021-02-11 A practical empowering guide to navigating your partner s diagnosis of a terminal or life limiting illness

or death Receiving the news that your partner has a terminal or life limiting illness or has died unexpectedly is among the worst experiences in life At a time when you are least able to cope you are faced with a multitude of difficult decisions some of which must be made quickly What you need is a friend who has experienced everything you are about to face who can support you as you navigate some tough important choices This book is that friend There is plenty of information out there but where to start looking What information is needed and how can it be accessed What decisions are essential in the immediate term and what can be left until later Throughout the book the emphasis is on protecting and supporting those left behind by presenting almost every choice you may need to make and the possible implications of each decision You will learn The importance of creating a will arranging power of attorney organising advanced decisions of treatment and even getting married or entering a civil partnership What you are entitled to from the state the NHS and your employer How to stabilise your finances and prepare to run a household alone Where your partner ought to be during treatment and or palliative care and how to go about achieving this Which decisions need to be made after death from planning the funeral to accessing your partner s estate How to navigate the grieving process and take control of a happy future No matter where you are in the process How to Survive Losing a Loved One is a comprehensive practical and empowering guide to coping with your partner s terminal illness and death and building the next chapter in your life

The Competence Cure Mr. Stacey

Tallitsch,2026-01-17 You feel like a fraud because your brain knows the truth You aren t good enough yet We live in a world obsessed with Imposter Syndrome We are told to affirm ourselves to fake it til we make it and to silence that nagging voice in our heads that says we don t belong But what if that voice is right Confidence is a trap Competence is the cure In The Competence Cure Mr Stacey Tallitsch argues that the modern crisis of anxiety isn t a mindset problem it s a skill problem We have stopped building real tangible value and started relying on hacks and positive thinking to get by The result A generation terrified of being exposed This is not a book about feeling better It is a manual for getting better Drawing on the same Iron Logic philosophy that powered his previous bestsellers Tallitsch dismantles the self esteem movement and replaces it with a brutal but liberating truth You don t need more confidence You need more competence Inside you will learn The Competence Loop Why action must precede belief and why you can t think your way into self trust The Death of Fake It How pretending to know what you re doing is actually destroying your nervous system The Skill Stack A tactical guide to acquiring the undeniable skills that make you bulletproof in the marketplace and in life Evidence Over Emotion How to build a resume of results that shuts down your inner critic for good Stop trying to convince yourself you re worthy Do the work build the skill and let your competence do the talking The cure for feeling helpless is becoming helpful The cure for feeling weak is becoming strong
