I recently stumbled upon the Remote Graphic Designer position at Tech Company X, and I was immediately drawn to your innovative approach to both creative work and company culture. Your commitment to delivering the highest quality work to clients while fostering an enriching environment for your team resonates with my personal and professional values.

With extensive expertise in Adobe Photoshop and Illustrator, I've been able to craft both dynamic and static visuals that align with brand messages. My portfolio is filled with designs ranging from ad banners and marketing emails to captivating social media posts, showcasing my skills and passion for storytelling through design. I'm proud to say I've garnered substantial experience in project tools such as Basecamp and Google Docs, and while I have hands-on experience with Google Ads and Facebook Ads platforms, my adaptability allows me to quickly familiarize myself with new platforms and methods.
