Legends Clayton Geoffreys,2017-03-12 Learn the Inspiring Story of One of Tennis Greatest Legends Roger Federer Read on your PC Mac smartphone tablet or Kindle device This holiday season if you buy the print edition as a gift you can keep the Kindle edition for yourself In Roger Federer The Inspiring Story of One of Tennis Greatest Legends you will learn the inspirational story of one of tennis premier players Roger Federer Few players have dominated the game of tennis as much as Federer As of early 2017 Federer holds eighteen Grand Slam singles titles the most in history for a male tennis player When Federer ultimately retires he will easily go down as one of the greatest to ever play the game Federer has demonstrated not only what it means to be a champion but how to carry oneself as a champion on and off the court In this unauthorized biography we ll explore Federer s journey to becoming one of the all time greats and learn what it has taken him to reach where he is today Here is a preview of what is inside this book Early Life and Childhood Junior Years and Early Career First Major Title 2003 Wimbledon Rise to Number 1 and Dominance Federer s Rivals Federer s Personal Life Roger Federer s Impact The Legacy of Roger Federer An excerpt from the book There are four things for which Switzerland is globally renowned Chocolate precision timepieces neutrality and Roger Federer The last allows the Swiss people to blissfully ignore the third when it comes to discussing where the superstar tennis player ranks in the sport s pantheon Federer has an enjoyed a playing career that is at the sunset of a second decade and his recent recovery from knee surgery and Renaissance to win the Australian Open in January 2017 shows that the Swiss maestro still has something left in his bag of tricks even at age 35 His 18 Grand Slam singles titles are the most of any player in the Open Era That number is more impressive

considering that his career intersected the sport's history at a time where Rafael Nadal and Novak Djokovic tied for second and fourth place in that category with 14 and 12 respectively. These three players have had a stranglehold on major titles for nearly a generation, winning the Australian Open, French Open, Wimbledon, and the U.S. Open a combined 44 times, dating to Federer's first Wimbledon crown in summer of 2003. But it is the elegant Federer who currently stands above the gritty Nadal and the jack-of-all-surfaces Djokovic, due in large part to his metronome-like consistency at an elite level for more than a decade. On the path to becoming arguably the greatest of all time in his sport, Federer's rise was one seen in the distance, starting with his play in juniors. He had to mature from petulant teenager to talented and promising young player on the ATP Tour. Federer then had to absorb match and life lessons from his peers to become a better player. And since the summer following his first victory at the All England Club, Federer's place in tennis lore has come by way of reaction and evolution. He has honed his already finely tuned all-around game and enhanced it with strategy that often kept him one step ahead of the chasing pack, though now in the autumn of his playing days it is helping him try to emerge from it.

Federer Chris Bowers, 2020-11 The outstanding English language biography of the great Swiss star, arguably the greatest tennis player of all time, now exhaustively revised and updated

Roger Federer: The Greatest Chris Bowers, 2011-05-02 Roger Federer is a legend not only in the world of tennis but also in the wider sporting arena. With a record-breaking tally of 16 Grand Slam titles to his name, he shows no sign of slowing down and in 2010 added another Australian Open win to his collection, as well as taking the trophy in the end-of-season ATP World Wide Tour Finals in London. This authoritative and affectionate biography traces the rise of Federer from his first tentative strokes with a tennis racket to how he dealt with being sent away to a training academy where he struggled to communicate in a French-speaking part of Switzerland, and how he handled the sudden death of his first real coach and mentor. It looks at his development as a sportsman and how he has matured into a family man with his marriage to Mirka Vavrinec and the birth of their twin girls. It also examines how Roger bounced back from arguably one of the most challenging periods of his career, as following a serious illness and a dip in form his run of successive Wimbledon championship wins was ended and he was toppled from the number one spot by his long-time rival Rafael Nadal. In characteristic style, Federer silenced his critics by winning the French Open title for the first time, reclaiming his Wimbledon crown and ending 2009 at the number one position for the fifth time.
