My Friends Fredrik Backman, 2025-05-06 INSTANT NEW YORK TIMES BESTSELLER A Most Anticipated Book of 2025 Goodreads USA TODAY Marie Claire BookPage Literary Lifestyle Book Riot Sunset Magazine Totally Booked with Zibby Owens 1 New York Times bestselling author Fredrik Backman returns with an unforgettably funny deeply moving tale of four teenagers whose friendship creates a bond so powerful that it changes a complete stranger's life twenty five years later Most people don't even notice them three tiny figures sitting at the end of a long pier in the corner of one of the most famous paintings in the world Most people think it's just a depiction of the sea But Louisa an aspiring artist herself knows otherwise and she is determined to find out the story of these three enigmatic figures Twenty five years earlier in a distant seaside town a group of teenagers find refuge from their bruising home lives by spending long summer days on an abandoned pier telling silly jokes sharing secrets and committing small acts of rebellion These lost souls find in each other a reason to get up each morning a reason to dream a reason to love Out of that summer emerges a transcendent work of art a painting that will unexpectedly be placed into eighteen year old Louisa's care She embarks on a surprise filled cross country journey to learn how the painting came to be and to decide what to do with it The closer she gets to the painting's birthplace the more nervous she becomes about what she'll find Louisa is proof that happy endings don't always take the form we expect in this stunning testament to the transformative timeless power of friendship and art *Young Rich Widows* Vanessa Lillie, Layne Fargo, Cate Holahan, Kimberly Belle, 2024-04-02 An 80s romp with big hair and even bigger secrets Grab your popcorn and settle in for this incredibly fun and twisty read Jeneva Rose New York Times bestselling author of *You Shouldn't Have Come Here* 1985 Rhode Island A private jet carrying four partners of a Providence law firm crashes outside New York City killing all aboard but leaving behind more questions than answers and setting the stage for four widows to find the truth Justine a former fashion model adjusting to suburban life Camille a beautiful young second wife whom some suspect is a gold digger Meredith a stripper who was in a relationship with the firm's only female partner Krystle a founding partner's wife committed to the firm being a legacy for her sons While the crash is initially ruled a tragic accident something's not adding up the team wasn't supposed to be in New York that day and it's soon revealed there was a very large sum of cash that burned up with the plane The scene is as wild as 80s neon and the manic chase to uncover the Mafia laced secrets gives this rip roaring read a rad vibe that will linger long after the 80s soundtrack fades and the hairspray falls *Young Rich Widows* is hands down the most original thriller you'll read all year Laugh out loud funny twisty and full of surprises Wendy Walker international bestselling author of *What Remains* *Being at Work* Mark Cole, 2025-11-18 This thought provoking and ground breaking book offers a way for us all to consider our experience of being at work and of the nature of working life Written in an engaging and accessible style it presents the practical means by which to apply central features of existentialism to make sense of how we relate to work and the workplace These include topics such as freedom and choice

looking for purpose and making meaning and authenticity We spend a great deal of time at work and being at work is often a challenge Reference to the past in a corporate context tends to see it as a graveyard for errors and failures the future is something articulated by senior leaders and the place to which we are expected to travel in terms of their definition The specious present is the place where we experience our being in the moment the location where we do our work but it is rarely acknowledged in the places where we work This book offers new insights into how we can all meaningfully live our lives in the context of the world of work To do this it offers a personalised understanding of the existentialist way of philosophising It looks to simplify complex concepts in order to offer the reader a different way of thinking about the time that they spend at work and how they might consider different and more positive ways of being in such an environment It recognises that we spend a considerable amount of our life in the workplace and so argues that we need to consider that and find ways in which to make that experience personally meaningful Where other practices designed to help people to make sense of their actual experience are introspective existentialism is reflexive and active Similarly where those other approaches are deeply individualistic existentialism constantly reminds us that our choices are undertaken in relation to others and that they have a collective implication Whether you are keen to make sense of your experience of workplace and what it means to be a human being in that context or looking to explore how you embrace the challenges of being a leader in business this book will offer you rich perspectives for sense making and ways of rethinking your presence at work
