

6 Strategies for Paying Off Student Loans

01

Begin Payment As Soon As Possible

Tip: If possible, start paying off your student loans while you're still in school.

02

Make More Than the Minimum Payment

Tip: Set up automatic payments that exceed the minimum amount due.

03

Put Your Tax Refund and Extra Money Toward Your Payment

Tip: A small side hustle can go a long way. You could:

- Drive for rideshare or food delivery
- Self-publish your writing to make royalties
- Walk or look after people's pets
- Take online surveys
- Sell art or other handmade goods

04

Determine if You Qualify for Loan Forgiveness

Tip: If you work for the government, a non-profit, a low-income school, or were enrolled at a college that no longer exists you may be eligible for loan forgiveness.

05

Try a Different Repayment Plan

Tip: Depending on your income and family size, you could qualify for \$0 monthly payments on an Income Driven Repayment (IDR) plan.

06

Refinance Your Student Loan

Tip: Refinancing to a loan with a lower interest rate can save you time and money in the long run.

Frontiers in Public Health: Editor's pick 2022-23 Paolo Vineis, 2024-11-01 Welcome to our Editor's Pick collection for Frontiers in Public Health showcasing a curated selection of the most impactful and innovative articles in the field. These articles were specially hand-picked by our Field Chief Editor Professor Paolo Vineis of Imperial College London. This compilation highlights the breadth and depth of contemporary public health research featuring studies that address pressing global health challenges and propose practical solutions. We have categorized the selected articles into 8 categories for ease of readership: Aging and Chronic Diseases, Child and Maternal Health, Environmental Health and Climate Change, Infectious Diseases, Implementation Science and Experimental Studies, Health Inequalities and Social Determinants of Health, Mental Health and Emerging Public Health Issues. Each chosen article not only advances scientific understanding but also underscores the importance of evidence-based practices and policies in improving population health. We are proud to present this diverse array of research that not only reflects the current state of the field but also aims to inspire further inquiry and innovation. 2022 and 2023 were landmark years for the journal which saw tremendous growth and interest in open access. Our goal is to spotlight the exceptional work of our authors, foster readership, and innovation through our open access principles and extend our gratitude to our Editorial Board for their persistent dedication and teamwork.

Solve Your Money Troubles Amy Loftsgordon, Cara O'Neill, 2021-07-01 Struggling with debt? Find solutions here. Conquering overwhelming debt starts with understanding your options. Solve Your Money Troubles gives you the tools you need to get your finances back on track. Learn how to stop debt collector harassment, negotiate down your debt with creditors, reduce your student loan payments, and create a healthy financial plan that you can live with. But that's not all. Solve Your Money Troubles helps you handle the big issues too. Find out how to stop a wage garnishment from leaving you penniless, get your car back after a repossession, prevent a foreclosure by applying for a loss mitigation program, respond to an action if you get sued, and decide if it's time to wipe the slate clean by filing for bankruptcy. In addition to up-to-date legal information, you'll find practical tools such as sample creditor letters and budgeting worksheets. And if the law changes, you won't be left out of the loop. You'll have online access to all of the latest debt, credit, and bankruptcy developments.

Handbook of Education Policy Research Lora Cohen-Vogel, Peter Youngs, Janelle Scott, 2025-07-17 The second edition of the Handbook of Education Policy Research, the largest volume published in AERA's history, addresses a variety of policy and contextual issues in early childhood, K-12, and postsecondary education that have received extensive empirical attention during the past 15 years. With the pandemic and social turmoil as a backdrop, the editors build on the breadth and depth of the first edition while expanding the scope of the project to include subjects, methods, theories, and analyses that have contributed powerfully to the study of education policy and politics in the 2010s and 2020s. The field has become more comprehensive and inclusive, and the authors represent a diversity of racial, ethnic, and gender identities and intellectual and disciplinary orientations. Most

chapters come from multiple authors reflecting the multi sourced development of research in education policy since the first volume was published This compilation consists of 70 chapters and nine commentaries that map past present and future directions of the field and richly attend to critical issues of interest to students researchers policy makers and practitioners
