Every day, millions of people buy products directly through their phone screens after watching a short video. This shift in shopping has created a new way for regular people to earn money from home. You do not need to invent a product or pay for a warehouse to store boxes. Instead, you can become an affiliate, which is like being a digital salesperson who earns a small fee for every sale you help make. This book is for the person who wants to start a side business but feels overwhelmed by technology. You might be a parent looking for extra income or a student wanting to learn a new skill. You do not need any prior experience or a large following to succeed with this method. We have designed this guide to take you from a total beginner to your first sale in just forty-eight hours. You will follow a clear path that removes the guesswork from the process. Each step is a simple task that builds toward a professional digital shop. This roadmap ensures you spend your time on the things that actually lead to earning money. By following these steps, you can build a business that works for you even while you sleep.

**What You Will Learn** In the first chapter, you will learn how to activate your shop status immediately. We show you how to bypass the five-thousand-follower limit that usually stops people from starting. You will also learn the safety rules to keep your account in good standing. This allows you to start your journey today rather than waiting months to grow an audience.
