Cd Rates Goodreads Choice Update:

When Men Behave Badly David Buss, 2011-04-27 A leading evolutionary psychologist and sex researcher provides a unified new theory of sexual conflict and shows how its battles play out in the bar room the bedroom and the boardroom Sexual conflict permeates ancient religions from injunctions about thy neighbor s wife to the permissible rape of infidels It is etched in written laws that dictate who can and cannot have sex with whom Its manifestations shape our sexual morality evoking approving accolades or contemptuous condemnation It produces sexual double standards that flourish even in the most sexually egalitarian cultures on earth And although every person alive struggles with sexual conflict most of us see only the tip of the iceberg dating deception a politician s unsavory sexual grab the slow crumbling of a once happy marriage a romantic breakup that turns nasty When Men Behave Badly shows that this battle of the sexes is deeper and far more pervasive than anyone has recognized revealing the hidden roots of sexual conflict roots that originated over deep evolutionary time which define the sexual psychology we currently carry around in our 3 5 pound brains Providing novel insights into our minds and behaviors When Men Behave Badly presents a unifying new theory of sexual conflict and offers practical advice for men and women seeking to avoid it
