College Rankings Guide

Princeton Review (Firm)

College Rankings Guide:

Students' Guide to Colleges Jordan Goldman, Colleen Buyers, 2005-08-02 College guides are a must for any teenager trying to choose the right school Unfortunately most guidebooks are vague boring tomes written by administrators and journalists instead of the real experts the college students that actually go there Students Guide to Colleges is different Entirely student written and edited this invaluable resource cuts through the cant with comprehensive listings of the vital statistics and requirements for America s top 100 schools accompanied by three totally honest fresh fun to read descriptions penned by attending undergrads from different walks of life Want to know how big classes really are How rigorous the academics get Or how greek or granola chill or up tight homogenous or diverse gay or straight a campus really is Lively irreverent and insightful the Students Guide to Colleges is the only guidebook that offers multiple perspectives on each school and tells it like it is so that college applicants can make the best choice when deciding where they want to spend their college years More than 30 000 students surveyed Preface by Chuck Hughes former senior dean of admissions at Harvard University [A Starter Guide to College for Clueless Students & Parents](#) Jake D. Seeger, 2019-01-05 For 8th graders freshmen and sophomores here s what to do now For juniors and seniors here are details about the tests the applications admissions factors financial aid essays interviews and college selection Checklists are provided for each year of high school A comprehensive checklist for the application for each college is provided It is a reference book for these many details for when you need them Use some chapters now and come back to other chapters later even in a year or more For 8th and 9th Graders get a great start on high school by seeing what to do your freshman and sophomore years so you re not behind in junior and senior years Which colleges are realistic Which are affordable Do not count any of them out yet Can you get a great degree without a huge debt Sure if you make the right choices These topics are covered How to get college ready and admissions ready Benefits of community colleges and public colleges Selective admissions factors and expectations Activities internships and sports Practice for standardized tests and subject tests Application checklists and procedures Financial aid and cost comparisons Meeting admissions officials and Essays and interviews After knowing more students and parents can better discuss and think about all these factors to decide if college is indeed the best option and what type of college is best The book explains the basics and moves into detailed information that you may not need right away but probably will use later It has handy reference pages containing checklists testing rules calendars admissions statistics college degree levels and websites to use so you don t have to look everything up yourself You don t have to remember everything now You can go back to the book again and again when you need the information For the maze of selective college applications admissions and choices the Starter Guide explains the basics and then provides a detailed analysis of the situation presents a detailed plan of action and points you to the some of the best sources for even more information to complete a serious run for the Ivies and the other top 50 to top 150 colleges But the great options of public colleges aren t neglected as the benefits of community

colleges public honors colleges tuition discounts in nearby states affordable regional colleges and flagship universities are explained Finances and financial aid are covered with estimates of what to expect from both public and private colleges with examples for various household income levels Students and parents will find advice on how to meet admissions staff Learn how to build an impressive record based on what the colleges are looking for Students will find practical advice on how to make the best impression with their attire conversational interactions paperwork and correspondence Learn which questions to ask and how to best convey your story while knowing what things to avoid doing and there are a few High school guidance counselors will like the reference information on testing test by test 8th grade to 12th grade in reference summary pages and admissions statistics The book covers test schedules reporting fees fee waivers test cancellation procedures information websites admissions events admissions statistics for 120 colleges in one spot the publisher looked them up and calculated them so you don't have to See about fine print admissions details like the lowest test scores for admissions at a college The Starter Guide to College for Clueless Students Parents is a good value It doesn't have to be read all at once but can guide a student and the parents as time passes even loaned to others
