to get into the world of the digital assistant with both audio and video this is as good a starting point as we've come across. The Echo Show 5 is the latest in a long and fast-moving line of Amazon products intended to get us all invested in its virtual assistant Alexa. This voice-activated software will listen to your commands and most of the time comes up with appropriate responses to get the job done. That job might be reading the weather forecast or telling you who won the 1962 World Cup, turning the lights off and the heating down in the front room, finding a recipe and reading out step-by-step instructions, playing music from your personal playlists on Spotify or Amazon Music, and of course much more. The technology has been around for a few years now, and the abilities of the magical little assistant inside your wireless pieces of kit are getting more impressive by the month. Likewise, Alexa is more likely to understand precisely what it is that you are asking of her. Where much of the Alexa-enabled kit out there is audio-based, concentrated on the Bluetooth speaker market, in particular the Echo Show 5 embraces both sound and video in its abilities to communicate. So as well as playing music or reading out information, you can access video content on the 5.5in LCD touchscreen. This book is a step-by-step guide to maximize your Alexa experience. This guide covers all aspects of the Echo Show and Echo Dot, including: Getting Started with the Echo Show; How To Set Up The Amazon Echo Dot; What Is Alexa Voice Shopping and How Do You Use It; How to Enable Alexa's Follow Up Mode; Watching videos with the Echo Show, including Movie trailers, Amazon video, Controlling Fire TV, Controlling Dish TV; How to Connect a Nest Thermostat to Alexa; How to Connect Philips Hue Lights to Amazon Echo; How to add an Amazon Echo Sub and configure Alexa EQ settings; How to Connect an Amazon Echo to a Harmony Remote; How to create an Amazon Echo stereo pair; Alexa Tips & Tricks; Playing music unlimited, such as Pandora, Spotify, iHeartRadio, SiriusXM, Tunein; Playing Audio Books; Listening to Kindle ebooks; Calls and Messaging; Operating the Alexa Skills; How to Connect a Nest Thermostat to Alexa; How to make Alexa Routines; smart home automation made easy; How to Connect a Nest Thermostat to Alexa; How to Connect Philips Hue Lights to Amazon Echo; How to set up and use Alexa smart home groups; How to Use Multi Room Music with the Echo Show; How to See and Delete Alexa's Recordings of You; Reminders, Alarms, Timers; Much, much more. Scroll up and hit the BUY BUTTON to get this manual into your library.
