

Using our colors

While embracing a much more colorful language in our brand communications, Spotify Green is our resting color, used whenever Spotify's voice needs to be recognizable.

	Green HEX #1ED760 RGB 30/215/96 CMYK 86/0/90/0		White HEX #FFFFFF RGB 255/255/255		Black HEX #021212 RGB 18/18/18
--	--	---	--	---	---

YES
Do get creative with surprising color combinations

YES
Do choose colors with high contrast to ensure accessibility

NO
Don't introduce new colors outside our brand palette

NO
Don't use over-saturated colors for CMYK printing

Spotify Guide

Didier Musso

Spotify Guide:

Spotify Teardown Maria Eriksson, Rasmus Fleischer, Anna Johansson, Pelle Snickars, Patrick Vonderau, 2019-02-12 An innovative investigation of the inner workings of Spotify that traces the transformation of audio files into streamed experience Spotify provides a streaming service that has been welcomed as disrupting the world of music Yet such disruption always comes at a price Spotify Teardown contests the tired claim that digital culture thrives on disruption Borrowing the notion of teardown from reverse engineering processes in this book a team of five researchers have playfully disassembled Spotify's product and the way it is commonly understood Spotify has been hailed as the solution to illicit downloading but it began as a partly illicit enterprise that grew out of the Swedish file sharing community Spotify was originally praised as an innovative digital platform but increasingly resembles a media company in need of regulation raising questions about the ways in which such cultural content as songs books and films are now typically made available online Spotify Teardown combines interviews participant observations and other analyses of Spotify's front end with experimental covert investigations of its back end The authors engaged in a series of interventions which include establishing a record label for research purposes intercepting network traffic with packet sniffers and web scraping corporate materials The authors innovative digital methods earned them a stern letter from Spotify accusing them of violating its terms of use the company later threatened their research funding Thus the book itself became an intervention into the ethics and legal frameworks of corporate behavior

Musical Genre Mads Krogh, 2025-01-09 From recent decades digitization have emerged a myriad of techniques for mapping musical life identifying patterns in sound or musico cultural practices and compiling labels names tags and classes on an unprecedented scale Proliferating genre catalogs in the context of digital platforms and the conjunction of genre with notions of for example mood and activity are among the consequences which challenge prevailing scene based and identificational understandings in musical genre studies This book answers to this challenge Centering on the concepts of musico generic assemblage and abstraction it offers new perspectives on musical genre fit for current times but with the potential for also reconsidering historical cases

Media Career Guide Sherri Hope Culver, Nichole Harken, 2024-12-13 Practical student friendly and revised to address recent trends in the job market this guide includes a comprehensive directory of media jobs useful tips and career guidance for students who are considering a major in the media industries Media Career Guide is available as an e book and it is also included in Achieve for Media Culture

Podcasting in a Platform Age John L. Sullivan, 2024-01-25 Podcasting in a Platform Age explores the transition underway in podcasting by considering how the influx of legacy and new media interest in the medium is injecting professional and corporate logics into what had been largely an amateur media form Many of the most high profile podcasts today however are produced by highly skilled media professionals some of whom are employees of media corporations Legacy radio and new media platform giants like Google Apple Amazon and Spotify are also making big and expensive moves in the medium by acquiring content

producers and hosting platforms This book focuses on three major aspects of this transformation formalization professionalization and monetization Through a close read of online and press discourse analysis of podcasts themselves participant observations at podcast trade shows and conventions and interviews with industry professionals and individual podcasters John Sullivan outlines how the efforts of industry players to transform podcasting into a profitable medium are beginning to challenge the very definition of podcasting itself
