Crash Course in Readers' Advisory Cynthia Orr, 2014-12-05 One of the key services librarians provide is helping readers find books they'll enjoy. This crash course will furnish you with the basic practical information you need to excel at readers advisory. RA for adults and teens. The question can you recommend a good book can be one of the most daunting you face notwithstanding the fact that recommender tools are ubiquitous. Often uncertainty arises because although librarians are called on to perform such services daily, readers advisory is a skill set in which most have no formal training. This guide will remedy that. It is built around understanding books, reading and readers and will quickly show you how to identify reading preferences and advise patrons effectively. You'll learn about multiple RA approaches such as genre appeal, features and reading interests and about essential tools that can help with RA. Plus you'll discover tips to help you keep up with this ever-changing field. There is no other professional book that covers the full spectrum of skills needed to perform the RA service that is in such great demand in libraries of all kinds. Helping readers find what they want is a sure way to serve patrons and build your library's brand. You will come away from this easy-to-understand crash course with the solid background you need to do both.

Everyone on This Train Is a Suspect Benjamin Stevenson, 2024-01-30 From the bestselling author of *Everyone in My Family Has Killed Someone*, a fiendishly fun locked room train murder mystery in the spirit of *Murder on the Orient Express*. With Ernest Cunningham, Stevenson has brought a modern-day Poirot to the mystery scene. Michelle Carpenter When the Australian Mystery Writers Society invited me to their crime writing festival aboard the Ghan, the famous train between Darwin and Adelaide, I was hoping for some inspiration for my second book. Fiction this time. I needed a break from real people killing each other. Obviously that didn't pan out. The program is a who's who of crime writing royalty: the debut writer, me, the forensic science writer, the blockbuster writer, the legal thriller writer, the literary writer, the psychological suspense writer. But when one of us is murdered, the remaining authors quickly turn into five detectives. Together we should know how to solve a crime. Of course we should also know how to commit one. How can you find a killer when all the suspects know how to get away with murder?

All the Dangerous Things Stacy Willingham, 2023-01-10 Following up her instant New York Times bestseller *A Flicker in the Dark*, Stacy Willingham delivers a totally gripping thriller about a desperate mother with a troubled past. In *All the Dangerous Things*, one year ago Isabelle Drake's life changed forever. Her toddler son, Mason, was taken out of his crib in the middle of the night while she and her husband were asleep in the next room. With little evidence and few leads for the police to chase, the case quickly went cold. However, Isabelle cannot rest until Mason is returned to her. Literally. Except for the occasional catnap or small blackout where she loses track of time, she hasn't slept in a year. Isabelle's entire existence now revolves around finding him, but she knows she can't go on this way forever. In hopes of jarring loose a new witness or buried clue, she agrees to be interviewed by a true crime podcaster, but his interest in Isabelle's past makes her nervous. His incessant questioning paired with her severe insomnia has brought up

uncomfortable memories from her own childhood making Isabelle start to doubt her recollection of the night of Mason's disappearance as well as second guess who she can trust including herself But she is determined to figure out the truth no matter where it leads *Forget Me Not* Stacy Willingham,2025-08-26 A pulse pounding new Southern thriller from the author of the runaway bestseller *A Flicker in the Dark* Twenty two years ago Claire Campbell's older sister Natalie disappeared shortly after her eighteenth birthday Days later her blood was found in a car a man was arrested and the case was swiftly closed In the decades since Claire has attempted to forget her traumatic past by moving to the city and climbing the ranks as an investigative journalist until an unexpected call from her father forces her to come back home and face it all anew With the entire summer now looming ahead a summer spent with nothing to do in her childhood home with her estranged mother Claire decides on a whim to accept a seasonal job at Galloway Farm a muscadine vineyard in coastal South Carolina less than an hour away from where she grew up At first glance Galloway is an idyllic escape for Claire A scenic retreat full of slow paced nostalgia as well as a place where her sister seemed truly happy in that last summer before she vanished it feels like the perfect plan to pass the time However as soon as Claire starts to settle in she stumbles across an old diary written by one of the vineyard's owners and what at first seems like a story of young rebellion and love turns into something much more sinister as it begins to describe details of various unsolved crimes As the days stretch on Claire finds herself becoming more and more secluded as she starts to obsess over the diary's contents as well as the lingering feeling that her own sister's disappearance may be somehow tied to it all Galloway was supposed to be a place to help her move forward but instead Claire quickly finds herself immersed in her own dark and dangerous past *Only If You're Lucky* Stacy Willingham,2024-01-16 A sharp and twisty exploration of female friendship from the New York Times bestselling author of *A Flicker in the Dark* and *All the Dangerous Things* Lucy Sharpe is larger than life Magnetic addictive Bold and dangerous Especially for Margot who meets Lucy at the end of their freshman year at a liberal arts college in South Carolina Margot is the shy one the careful one always the sidekick and never the center of attention But when Lucy singles her out at the end of the year a year Margot spent studying and playing it safe and asks her to room together something in Margot can't say no something daring or starved or maybe even envious And so Margot finds herself living in an off campus house with three other girls Lucy the ringleader Sloane the sarcastic one and Nicole the nice one the three of them opposites but also deeply intertwined It's a year that finds Margot finally coming out of the shell she's been in since the end of high school when her best friend Eliza died three weeks after graduation Margot and Lucy have become the closest of friends but by the middle of their sophomore year one of the fraternity boys from the house next door has been brutally murdered and Lucy Sharpe is missing without a trace From the author of *A Flicker in the Dark* and *All the Dangerous Things* comes a tantalizing thriller about the nature of friendship and belonging about loyalty envy and betrayal another gripping novel from an author quickly becoming the gold standard in psychological suspense *A Flicker in the Dark* Stacy Willingham,2022-01-11 A New York
