Paper 1 September 2013 Memorandum State:

The Politics of Arctic Sovereignty Jessica Shadian, 2014-01-10 Interest in Arctic politics is on the rise While recent accounts of the topic place much emphasis on climate change or a new geopolitics of the region the history of the Inuit Circumpolar Council ICC and Arctic politics reaches back much further in time Drawing out the complex relationship between domestic Arctic international and transnational Inuit politics this book is the first in depth account of the political history of the ICC It recognises the politics of Inuit and the Arctic as longstanding and intricate elements of international relations Beginning with European exploration of the region and concluding with recent debates over ownership of the Arctic the book unfolds the history of a polity that has overcome colonization and attempted assimilation to emerge as a political actor which has influenced both Arctic and global governance This book will be of strong interest to students and scholars of Arctic politics indigenous affairs IR theory and environmental politics

The United States, India and the Global Nuclear Order Tanvi Pate, 2018-06-13 In the Post Cold War era US nuclear foreign policies towards India witnessed a major turnaround as a demand for cap reduce eliminate under the Clinton administration was replaced by the implementation of the historic civil nuclear deal in 2008 by Bush a policy which continued under Obama s administration This book addresses the change in US nuclear foreign policy by focusing on three core categories of identity inequality and great power narratives Building upon the theoretical paradigm of critical constructivism the concept of the state is problematised by focusing on identity related questions arguing that the state becomes a constructed entity standing as valid only within relations of identity and difference Focusing on postcolonial principles Pate argues that imperialism as an organising principle of identity difference enables us to understand how difference was maintained in unequal terms through US nuclear foreign policy This manifested in five great power narratives constructed around peace and justice India Pakistan deterrence democracy economic progress and scientific development Identities of race political economy and gender in terms of radical otherness and otherness were recurrently utilised through these narratives to maintain a difference enabling the respective administrations to maintain US identity as a progressive and developed western nation intrinsically justifying the US role as an arbiter of the global nuclear order A useful work for scholars researching identity construction and US foreign and security policies US India bilateral nuclear relations South Asian nuclear politics critical security and postcolonial studies

Reconceptualising Unaccompanied Child Asylum Seekers and the Law Jennifer L. Whelan, 2022-09-30 Unaccompanied child asylum seekers are amongst the world s most vulnerable populations and their numbers are increasing The intersection of their age their seeking asylum and separation from their parents creates a specific and acute triple burden of vulnerability Their precariousness has long been recognised in international human rights law Yet human rights based responses have been subordinated to progressive global securitisation of irregular migration through interception interdiction extraterritorial processing and immigration detention Such an approach necessitates an urgent paradigm shift in

how we comprehend their needs as children the impact of punitive border control laws on them and the responsibility of States to these children when they arrive at their borders seeking asylum This book reconceptualises the relationship between unaccompanied child asylum seekers and States It proposes a new conceptual framework by applying international human rights law childhood studies and vulnerability theory scholarship in analysing State obligations to respond to these children This framework incorporates a robust analysis of the operation and impact of laws on vulnerable populations a taxonomy for articulating the gravity of any consequent harms and a method to prioritise recommendations for reform The book then illustrates the framework's utility using Australia's treatment of unaccompanied children as a case study This book illuminates key learnings from human rights law childhood studies and vulnerability theory and transforms them into a new roadmap for law reform As such it will be a valuable practice based resource for practitioners non government organisations advocates policymakers and the general public interested in advocating for the rights of vulnerable populations as well as for academics researchers and students of human rights law refugee law childhood studies and vulnerability studies

Imagining Justice for Syria Beth Van Schaack,2020 Focused on the international community's response to the conflict in Syria this is a book about the inexorable quest for justice even in the face of seemingly impenetrable obstacles erected by actors intent on ensuring impunity It features a number of creative ideas emerging from states and civil society actors intent on pursuing justice for atrocities in Syria

Safe Passage Evelyn Iritani,2026-03-10 An untold story of idealism betrayal and behind the scenes American Japanese contacts in World War II In the fall of 1943 during some of the Pacific theater's bloodiest battles the United States and Japan pulled off a diplomatic coup the exchange of civilians caught on the wrong side of the battlefield after Pearl Harbor Nearly fifteen hundred Allied civilians trapped in Asia mostly Americans sailed through dangerous waters to an Indian port city where they were traded for an equivalent number of Japanese immigrants and their families sent from the Americas The fate of the more than ten thousand Americans left behind rested on the success of this endeavor In *Safe Passage* the award winning journalist Evelyn Iritani reveals the herculean efforts of the American diplomat James Keeley to engineer these wartime exchanges despite great resistance from within and outside his government the shipboard conflicts among passengers including missionaries revelers and sharp tongued journalists and the moral compromises involved in securing their safe passage Faced with too few bodies to trade and desperate to free Americans from perilous conditions the United States uprooted and repatriated Japanese citizens of Latin America sometimes against their will while Japanese imprisoned in camps many of them American citizens were forced to choose between expulsion to a war zone or an uncertain future behind barbed wire The result is a revelatory account of the hurdles to pursuing humanitarian action in wartime
