Words Their Way Shane Templeton, Francine R. Johnston, Donald R. Bear, Marcia Invernizzi, 2020 **Word Play** Sandra Whitaker, 2008 I could have done a much better job of empowering my students with language had I had this book as a young teacher Carol Ann Tomlinson Author of *The Differentiated Classroom* Vocabulary is key to comprehension to deep academic understanding to communication But with so many words and so little instructional time how can teachers ensure that students do more than merely memorize word lists That they make words their own and use them well in all their reading writing and speaking activities In *Word Play* Sandra Whitaker a National Board Certified Teacher leads the way to effective meaningful vocabulary instruction that helps students in every subject area With *Word Play* you ll teach so that students don t just what know what words mean but how they convey meaning and what their appropriate uses are Three aspects of learning must work together for successful vocabulary instruction and Whitaker details what they are and how to teach them Morphemic structure where words come from how they are formed and how they can be changed to form new words Conceptual meaning makers the small but important group of context specific terms that support meaning making within assigned texts but are rarely used outside those texts Academic vocabulary cross discipline and discipline specific words that support learning by helping students determine meanings in relation to the subjects they study and use precise language to communicate their thinking Whitaker makes the theoretical practical presenting the theory and research behind high quality instruction then following up with engaging interesting ways for students to practice all three aspects of vocabulary You ll replace monotonous memorization with enjoyable activities that capitalize on adolescents natural interest in words and language Illustrating her strategies with student samples and stories from real classrooms Whitaker even presents ideas for differentiation that make vocabulary instruction accessible for all students Give the gift of language Put away the boring

word lists and teach in ways that promote usage not memorization You'll encourage a deeper understanding of texts across the curriculum and provide avenues for students to express their thinking more precisely Put joy into words with Word Play

Teaching Language and Literacy James F. Christie, Carol Vukelich, Billie Enz, 2007 This text does an exemplary job of presenting current early literacy research and methods in a manner that can be understood and respected Also its emphasis upon workshop based instruction is very appealing to me as a long time advocate for this approach to literacy Scott A L Beck Georgia Southern University The third edition of Teaching Language and Literacy Preschool Through the Elementary Grades integrates a constructivist emergent literacy perspective with science based instructional practices This unique focus on theories and techniques that have proven to be successful helps pre service and in service teachers translate principles into classroom practice Perfect for any course with a focus on language the book covers the development and teaching of both oral and written language in preschool through elementary grades Its emphasis on diversity includes special features that describe how teachers can adjust instruction to meet the needs of second language and bilingual learners In addition the third edition focuses on scientifically based reading research SBRR throughout blending these findings with other perspectives in a value added approach to language and literacy teaching and learning New features include Emphasis on a blended approach to language and literacy instruction including both authentic learning linked to activities and developmentally appropriate teaching Activities such as Linking Knowledge to Practice help students connect theory to practices they observe in preschool and kindergarten classrooms In depth coverage of new federal and state literacy initiatives standardized literacy assessments and latest practices in ongoing literacy assessment
