Innovative School Science Experiments Dr. Paresh K. Joshi, 2024-03-15 These short stories are based on several basic school experiments developed at the Homi Bhabha Centre for Science Education HBCSE Tata Institute of Fundamental Research Mumbai for the selection and training of students at the Junior Science Olympiad These experiments have also been used for a long time in the teacher training programmes aimed at exposing the teachers to fundamental school experiments The idea is to motivate teachers to take their students away from bookish knowledge Science

Communication Annette Leßmöllmann, Marcelo Dascal, Thomas Gloning, 2019-12-16 The volume gives a multi perspective overview of scholarly and science communication exploring its diverse functions modalities interactional structures and dynamics in a rapidly changing world In addition it provides a guide to current research approaches and traditions on communication in many disciplines including the humanities technology social and natural sciences and on forms of communication with a wide range of audiences Innovation and the Entrepreneurial University Dirk Meissner, Erkan Erdil, Joanna Chataway, 2018-03-26

The book explores different approaches towards the entrepreneurial university paradigm explores channels and mechanism used by universities to implement the paradigm and contributes to the public discussion on the impact of commercialization on university research and knowledge It argues that different types of university industry interaction may have repercussions even on funding of basic research if an appropriate balance is ensured between the two University activities both research and education in all forms should provide economic and social relevance directed towards open science and open innovation This book adds value to current knowledge by presenting both a conceptual framework and case studies which describe different contexts **The Popular Science Monthly**, 1884 **Open Door**, 1911
