this book addresses is the emotional residue that can remain after a breakup specifically the feelings of frustration lingering attachment or a desire for a final albeit humorous interaction It aims to bring about a shift in perspective encouraging readers to approach these feelings with levity and creativity rather than dwelling on negativity The book champions the idea that a good laugh and perhaps a cleverly executed harmless prank can be a more effective and enjoyable way to move on than prolonged sadness or anger Most Likely to Murder Lish McBride,2026-03-24 Yearbook superlatives turn deadly in this darkly funny young adult thriller The rumor mill has never been kind to Meadowvale High seniors and best friends Rick and Martina labeling them outcasts sure stoners no comment and pranksters okay this one s fair But for the most part they have successfully flown under the radar That is until they re targeted in a prank that replaces yearbook superlatives with grisly forecasts of student and faculty deaths Sure Rick and Martina were never going to be voted Most Likely to Succeed but Homecoming s Cutest Corpses Thanks for the cute no thanks on the corpse At first the senior class is annoyed by the prank But when the body of Mr Stephens Most Likely to Sleep with the Fishes is dredged from the bottom of a lake suspicions arise that something truly sinister is going on And as more people turn up dead in the exact ways the yearbook promised it becomes clear someone s killing off the student body one page at a time Now Rick and Martina must find the yearbook killer before their vicious superlative comes true So much for surviving high school without drawing attention Now Rick and Martina just want to survive For fans of Holly Jackson Karen M McManus and Danielle Valentine **Country Life** ,1907
