

A person wearing a white short-sleeved shirt is using a pair of compasses to draw on a blueprint. The person's hands are the central focus, with the right hand holding the top of the compass and the left hand holding the bottom. The compass is positioned over a grid on the blueprint. In the background, there is a small, detailed model of a house with a gabled roof, a chimney, and a front door. The model is placed on a white surface. The background is blurred, showing what appears to be an indoor setting with large windows and greenery outside. The overall scene suggests a professional or educational environment related to architecture or engineering.
