**How to Annoy your Ex!** Daniel W Thomson,2026-02-07 This book aims to provide a humorous and creative outlet for individuals navigating the often complex and emotionally charged aftermath of a breakup It addresses the common yet often unexpressed desire for lighthearted retribution or a sense of playful control after a relationship ends By offering a collection of amusing and harmless pranks the book seeks to transform potential lingering negative emotions into laughter and amusement fostering a sense of closure and well being for the reader through cathartic comedic action The core issue this book addresses is the emotional residue that can remain after a breakup specifically the feelings of frustration lingering attachment or a desire for a final albeit humorous interaction It aims to bring about a shift in perspective encouraging readers to approach these feelings with levity and creativity rather than dwelling on negativity The book champions the idea that a good laugh and perhaps a cleverly executed harmless prank can be a more effective and enjoyable way to move on than prolonged sadness or anger

**How to Human** Carlos Whittaker,2023-01-24 A much needed reminder about what it means to be truly human in a world where people feel increasingly disconnected from each other and from God by the popular author of Enter Wild I hope you will enjoy this book But more than that I hope you will enjoy getting to know my friend He is exactly who we need today and every day as we all learn together how to human from the foreword by Sharon McMahon 1 New York Times bestselling author of The Small and the Mighty These are crazy times people We are more agitated than ever We re fighting Wrestling with big issues Less connected than ever to one another and to God It s a perfect storm debilitating anxiety crashing relationships and forgetting what it feels like to well be human In How to Human author speaker and social media personality Carlos Whittaker offers a fresh vision for becoming the best versions of ourselves We can refuse to let disagreements define us We can say no to becoming upset rage filled humans and say yes to fuller happier lives It begins as we make the shift from me to we to everybody in a three part journey to be human see fellow humans and free those around us You ll think laugh and be inspired by this practical guide which reveals how to help others how to hope fiercely and how to experience the thrill of being fully human Carlos describes a radical path of love one that requires us to become builders rather than demolitionists One that gets personal One that moves toward others in faith rather than away in fear One that when times get crazy is willing to get crazier in a good way One that understands the big joy of how to human

*Country Life*, 1907 [Day Trading Attention](#) Gary Vaynerchuk, 2024-05-21 New York Times and USA Today Bestseller One thing I've learned being around Gary for the last decade is that when he sees new consumer trends or new best practices in marketing people should listen and act on them Michael Rubin CEO of Fanatics In his seventh business book bestselling author entrepreneur and investor Gary Vaynerchuk offers fresh in depth advice to enhance brand development grow sales and beat the competition using modern advertising strategies grounded in social media In his 2013

bestseller *Jab Jab Jab Right Hook* Gary Vaynerchuk showed the world how to create winning content for underpriced attention channels. But since then new platforms have emerged others have become less relevant and algorithms are incentivizing new styles of content. New skills are necessary to create advertising that builds brand and sales. In his latest book Vaynerchuk argues that today's fast growing businesses brands content creators and influencers have one thing in common. They mastered storytelling in areas of underpriced attention which predominantly exists across a handful of social media platforms. Informed by 20 years of business and marketing success he contends that the biggest transformation and opportunity is the TikTokification of Social Media. Increasingly platforms are distributing content based on what users are interested in rather than who they follow. In *Day Trading Attention* Gary offers detailed advice on how small businesses large corporations and creators can understand attention what it is where it is where it's underpriced and how to leverage it. Produce relevant strategic content. Use modern advertising platforms to build brand and grow sales in today's rapidly changing environment.

**Finance** Stephen A. Ross,Bradford D. Jordan,Randolph Westerfield,Gordon Sam Roberts,J. Ari Pandes,Thomas A. Holloway,2021 When the three of us decided to write a book we were united by one strongly held principle Corporate finance should be developed in terms of a few integrated powerful ideas We believed that the subject was all too often presented as a collection of loosely related topics unified primarily by virtue of being bound together in one book and we thought there must be a better way One thing we knew for certain was that we didn t want to write a me too book So with a lot of help we took a hard look at what was truly important and useful In doing so we were led to eliminate topics of dubious relevance downplay purely theoretical issues and minimize the use of extensive and elaborate calculations to illustrate points that are either intuitively obvious or of limited practical use **The Quiet Zone** Stephen Kurczy,2021-08-03 In this riveting account of an area of Appalachia known as the Quiet Zone where cell phones and WiFi are banned journalist Stephen Kurczy explores the pervasive role of technology in our lives and the innate human need for quiet Captures the complex beauty of a disconnected way of life The Nation With a new afterword to the paperback edition Deep in the Appalachian Mountains lies the last truly quiet town in America Green Bank West Virginia is a place at once futuristic and old fashioned It s home to the Green Bank Observatory where astronomers search the depths of the universe using the latest technology while schoolchildren go without WiFi or iPads With a ban on all devices emanating radio frequencies that might interfere with the observatory s telescopes Quiet Zone residents live a life free from constant digital connectivity But a community that on the surface seems idyllic is a place of contradictions where the provincial meets the seemingly supernatural and quiet can serve as a cover for something darker Stephen Kurczy embedded in Green Bank making the residents of this small Appalachian village his

neighbors He shopped at the town s general store attended church services went target shooting with a seven year old square danced with the locals sampled the local moonshine In *The Quiet Zone* he introduces us to an unforgettable cast of characters There is a tech buster patrolling the area for illegal radio waves electrosensitives who claim that WiFi is deadly a sheriff s department with a string of unsolved murder cases dating back decades a camp of neo Nazis plotting their resurgence from a nearby mountain hollow Amongst them all are the ordinary citizens seeking a simpler way of living Kurczyk asks Is a less connected life desirable Is it even possible *The Quiet Zone* is a remarkable work of investigative journalism at once a stirring ode to place a tautly wound tale of mystery and a clarion call to reexamine the role technology plays in our lives
