Why customer Service is so broken and give you the secrets to get around it Customer service is bad by design Your bad customer service is not random it is intentional Customer Service is universally terrible this is not an opinion You do not have to believe me I am saying it is raining outside and you can simply look out the window I spent two decades helping dozens of your favorite brands with customer service You will laugh get mad all over again at some of the conversations I have had with executives around customer service I name names expose Customer Service nightmares from Travel to Cable Walmart fast food and so much I also provide you with how to get around bad service and offer radical thinking to reset customer service

Amas Tenumah Seven Recipes for Success in Business Frank D. Briggs, 2010-03-12 Improving profits and improving your commissions can be easier than you think Success in business rests with customer service In *Seven Recipes for Success in Business* author Frank D Briggs provides seven steps to help build your success and your company's success Filled with personal examples and stories from almost forty years in business Briggs demonstrates the importance of the customer and of providing quality customer service with seven simple concepts He shows that because the customer Has a need you have a job to do Has a choice you must be the better choice Has sensibilities you must be considerate Has urgency you must be quick Is unique you must be flexible Has high expectations you must excel Has influence you have the hope of more customers *Seven Recipes for Success in Business* details the importance of thinking of the customer first each and every time and treating the customer the way you would like to be treated By following these simple concepts success will flourish all because of the customer

Are Your Customers Being Served? Pauline Rowson, 2007 This volume explains how to boost profits by delivering exceptional customer service It shows how to satisfy customer needs how to handle complaints and difficult customers how to develop an effective customer services policy and how to build loyalty and rapport

Invisible Profits Robert Moment, 2007-09 Who will benefit from this customer service book *Invisible Profits* The Power of Exceptional Customer Service Everyone who has any interaction with potential customers and clients and existing customers and clients will benefit from this valuable customer service book In this complete guide to exceptional customer service you will learn a How to know exactly what your customer expects and how to give it to them every time b How exceptional customer service generates exceptional profits and how to train this concept to your customer service team c How to create a positive work environment that benefits customers and employees and generates profits d How to manage stressful situations more effectively you ll even learn how to deal with difficult coworkers e How to recognize customers signs and behaviors so that you can meet their needs before they even know what they are f Key tactics that will instantly calm emotional customers so you can solve their problems productively Customers leave happy and become lifelong loyal purchasers Here are just some employment positions within corporations and small businesses that will benefit from this book customer service representatives billing specialists call centers service professionals service professional firms retail stores field service representatives account managers sales professionals small business owners technical and support personnel and managers

who want customer service training in order to reinforce their skills and train their staff
