DiJulius, 2019-10-08 Creating Authentic Customer Connections in a High Tech World In The Relationship Economy author John DiJulius teaches business leaders about the importance of relationship building in the digital age He argues that in spite of and because of the advances in tech we've become a less connected society We have dramatically evolved away from face

to face communication and the skill of building rapport is evaporating This means that customer personalization and relationships are more important now than ever and they will be the key to success for businesses moving forward As he aptly states Being able to build true sustainable relationships is the biggest competitive advantage in a world where automation artificial intelligence and machine learning are eliminating the human experience which is what creates the emotional connections that build true customer loyalty This book reminds readers of the importance of personal connections and shows them how to attain meaningful lasting relationships with their customers

**What Everyone Needs to Know about Tax** James Hannam,2017-02-28 You are paying much more in tax than you think you are What Everyone Needs to Know About Tax takes an entertaining and informative look at the UK tax system in all its glory to show you just how much you pay how the money is collected and how it affects ordinary people every day Giving context to recent controversies including the Panama Papers tax avoidance by multinationals Brexit and more this book provides a straightforward explanation of tax and the policy behind it for non specialists no accounting or legal knowledge is required The system s underlying logic is illustrated through three golden rules that explain many of the UK tax regime s oddities and the discussion focuses on the way things are rather than utopian ideas about how they might be Case studies show how the VAT on a plumber s bill all adds up why fraudsters made a movie to throw HMRC off their scent how a wealthy couple can pay so little tax on a six figure income and the way tracing the money you paid for your iPad sheds light why the EU is demanding Apple pay billions extra in tax Ever the political battlefield tax is too important for you to rely on media hype for information It affects everyone every day and it pays for voters and taxpayers to know more This book leaves aside technical detail and the arcana of the tax code to give you a real world look at how tax works Learn about the many ways that the tax system separates us from our money Discover how Brexit could change the way we pay taxes Understand how changing tax policy affects people s everyday lives See through the rhetoric surrounding controversies in the media With tax we have to admit that there are no easy answers No one enjoys paying them but without them the Government would shut down Seeing through politicians cant and superficial press coverage is critical for your ability to make the decisions that benefit you What Everyone Needs to Know About Tax gives you the background and foundational knowledge you need to be a well informed taxpayer
