Netflix This Week Customer Service:

High-Tech, High-Touch Customer Service Micah Solomon, 2012-05-26 Today's customers are a hard bunch to crack. Time-strapped, screen-addicted, value-savvy, and socially engaged, their expectations are tougher than ever for a business to keep up with. They are empowered like never before and expect businesses to respect that sense of empowerment, lashing out at those that don't. Take heart: Old-fashioned customer service, fully retooled for today's blistering pace and digitally connected reality, is what you need to build the kind of loyal customer base that allows you to survive and thrive. And **High Tech High Touch Customer Service** spells out surefire strategies for success in a clear, entertaining, and practical way. Discover six major customer trends and what they mean for your business. Eight unbreakable rules for social media customer service. How to effectively address online complainers and saboteurs on Yelp, Twitter, TripAdvisor, and other forums for user-generated content. The rising power of self-service and how to design it properly. How to build a company culture that breeds stellar customer service. **High Tech High Touch Customer Service** reveals inside secrets of wildly successful customer service initiatives from Internet startups to venerable brands and shows how companies of every stripe can turn casual customers into fervent supporters who will spread the word far and wide online and off.

Supply Chain Management Dr. Nitin Junnarkar, Dr. Muppavaram Gowri Shankar, Dr. P. Muralidharan, **Digital Media and Innovation** Richard A. Gershon, 2024-03-26 This fully updated second edition explores the importance of innovation and innovative thinking for the long-term success of today's leading media, telecommunications, and information technology companies. The book takes an in-depth look at how smart, creative companies have transformed today's digital economy by introducing unique and highly differentiated products and services. This edition provides a detailed overview of intelligent networks and analyzes disruptive business models and processes from companies involved in social media, artificial intelligence, the metaverse, smart cities, and robotics among other emerging areas. From Apple to Zoom, this book considers some of the key people, companies, and strategies that have transformed the communication industries. Exploring the power of good ideas, this book goes inside the creative edge and looks at what makes such companies successful over time. **Digital Media and Innovation** is suited to advanced undergraduate and graduate courses in media management, media industries, communication technology, and business management and innovation and provides up-to-date research for media and business professionals.

Media, Telecommunications and Business Strategy Richard A. Gershon, 2020-07-19 As the clear lines and historic boundaries that once separated broadcasting, cable, telephone, and Internet communication dissolve, this comprehensive new edition examines the relationship and convergence patterns between industries by exploring the effects of digitalization in media and information technology. With today's dynamic and rapidly evolving communication environment, media managers need to have a clear understanding of the different delivery platforms as well as critical management and planning strategies going forward. Advancements in new media and communication technology, coupled with a rapidly changing global economy,

promise a new set of hybrid media companies that will allow for the full integration of information and entertainment services and give new meaning to the term programming This book provides a detailed look at seven key sectors of the media and telecommunications field as well as ongoing changes within the industry The new edition includes updated research throughout including material on major business and technology changes as well as the importance of digital lifestyle reflected in E commerce and developments in Over the Top Video streaming services Special attention is given to such areas as strategic planning innovation marketing finance and leadership Perfect for courses in media management and media industries as well as professional managers this book serves as an important reference guide during this transitional time

Strategic Analysis of Netflix in India. Possible Strategies and Recommendations Gabriel Socha, 2020-09-28 Case Study from the year 2020 in the subject Economics International Economic Relations grade 1 3 New York University Leonard N Stern School of business language English abstract The paper focuses on strategic issues of the management of Netflix in India pointing to the following key question How can the company adapt its business model to gain a foothold in the Indian market Should the company conduct acquisitions to deal with the situations Or should Netflix exit India and shift focus to other global markets instead Netflix a leading American online media streaming and production company expanded successfully across the globe in the 2010s However in India a very important market for Netflix due to its large population and strong demand for video streaming Netflix seems to be struggling Dominant competitors and specific customer requirements have made growth difficult for the firm In this case both Netflix and the Indian video streaming market are analyzed with several strategic options are compared The team of authors recommends purchasing local studios and production houses so that Netflix can continue to pursue its verticalization strategy and meet local consumer demands We also suggest Netflix adapt its price to appeal to more users as Indian users are generally more price sensitive While it might dilute Netflix premium brand we believe such risk can be mitigated by adopting a more bare bones lower cost subscription targeting the large number of Indian consumers who use their smartphones to access the internet
