

Ultimate Sleep Hacks

Put your phone down 2 hrs before bed. You'll thank us tomorrow, we promise.

Bust out the aromatherapy. And breathe in and out the zen vibes.

Use a weighted blanket. It's like getting tucked in with a giant hug.

Sleeping masks are equal parts fashionable and functional.

Try a white noise machine or sleep meditation to knock out in an instant.

Turn the TV off. That next episode will be just as good in the morning.

Get in the nighttime flow with some restorative yoga.

Save the intense workouts for earlier in the day. That adrenaline rush won't help you sleep.

The Love Experiment Ainslie Paton, 2017-10-02 Can you fall in love in thirty-six questions? The closest rookie lifestyle writer Derelie Honeywell gets to megastar reporter Jackson Haley is an accidental shoulder brush in The Courier's elevator. That is until the love experiment, a study designed to accelerate intimacy using thirty-six questions and four minutes of sustained eye contact. As far as Derelie is concerned, Jack Haley has always been a man best imagined in his underwear. He's too intimidating otherwise. But participating in the love experiment is her make-or-break chance. With another round of layoffs looming, Derelie knows holding on to her job means getting the story, no matter what. Even when the what is kissing Jack like a maniac, Jack Haley has zero interest in participating in a clickbait story. He didn't plan on finding Derelie smart and feisty and being mesmerized by her eyes. He certainly had no intention at all of actually falling in love with her. The conclusion to this experiment: Thirty-six questions might lead to love, but finding the answer to happily ever after is a lot more complicated. This book is approximately 92,000 words. One click with confidence. This title is part of the Carina Press Romance Promise, all the romance you're looking for with an HEA/HFN. It's a promise. *The National Bowhunter*,
